Easy to follow Great book, very informative Great study book Great study book, deploying it alongside the ATI book . Very useful with explaining the need to know. Five Stars Great book, no complaints. Five Stars great! Study Hard! You can find testing questions after every section, as the book covers everything from human body parts, body systems features, written communication, comprehension of text, and even the essential tenets of the English vocabulary. A fantastic overview of every subset of what is on the ... very thorough and easy to understand I purchased this based on the reviews which has definitely lived up to its evaluations. Excellent Study Information! I could not have passed with such a high grade minus the help of teas research books. It also has an give for a free study tips DVD which I found extremely helpful.This book offers a lot of great material to study from and to plan the actual exam. I received a passing quality on my TEAS exam and am currently awaiting acceptance into my chosen nursing school. Worth the investment! Really helpful! The manual provides great chemical as it teaches, explains and serves as a report aid for those that desire to enter a nursing career. The manual is quite well organized and captures the core essence of ATI TEAS preparation. I will start by saying this book is work the expenditure!If you are on the fence, pick it up! I really do highly recommended this reserve to anyone who is taking on nursing school for sure. Not only does it provide TEAS specific review,it also refreshes the basic skills necessary to pass the examination. I strongly recommend this publication to anyone finding your way through their TEAS Test. What I love most about this publication is how thorough and precise ... What I love most about this reserve is how thorough and precise for each of the sections. very thorough and easy to understand. It is well-organized and written within an easily understandable manner. A fantastic review of every subset of what's on the TEAS test. Also, I love how when you end reading they will have the explanations to give you of the correct answer because it's like if you got an response this is the exact reason to why it really is right while going down the other answers depicting how this could be the solution but always has the "however " think. Personally i think confident taking the test.
