Jeanne Gibson is normally a mountain girl with uncommon charisma?a real-lifestyle Holly GoLightly?who marries Broadway's meanest producer, David Merrick, and proceeds to self-destruct.In this colorful memoir, Kimberly Childs quests for the love and home her glamorous, alcoholic mother struggles to provide.Seeking connection on the roads and in the communes of 1960s San Francisco, Childs discovers serenity through meditation and the Dances of Common Peace. Bounced from place to place, Childs matures in Woman Eden's English boarding school, London's prestigious Savoy Resort, a Kentucky farm with an outhouse, a Manhattan personal girls' school, and amidst Broadway's theaters. Aspiring for transformation, she finds home in an Indian Guru's ashram?then realizes she must trust her very own instincts and courageously walks aside. A touching tale of compassion and forgiveness, Keep in mind Me As Loving You is definitely a compelling read that will be an inspiration to whoever has discovered themselves betrayed by the people they love.

Authentic, raw & real story from a sensible & compassionate artist Kimberly's life journey could possess gone in many directions. Through all of this, presently there shines through this book's pages the author's inherent integrity, strength, and resilience.. Reaffirming the infinite potential that people are. It's clear she has done the task that brought her to the various other side of pain. A thrilling read that gives such a distinctive perspective that I hadn't experienced before, highly recommend Excellent Book Group Read A beautifully written, heartbreaking tale of a daughter looking for her parent's love and herself. As I examine her story I felt like I was watching a movie - her composing design is that authentic, raw, and real. I enjoyed it thoroughly Read REMEMBER ME AS LOVING YOU: A DAUGHTER'S MEMOIR (She Writes Press) by Kimberly Childs. I was fascinated to understand about her amazing existence, which acquired her move as a kid between her glamorous, alcoholic mother's world of London and her grandparent's Kentucky farm that also got an outhouse. A moving, inspiring go through! But oh what a trip! It's a lovely read This author pens an emotionally honest memoir of her life growing up with her celebrity mother. I found myself thinking, "I understand what that feels like Kimberly" several times in the publication which in some methods helps with my own healing. This is a book where you will know how the human being drama and inner strength combine to forge humanness within a somebody. she has been able to find - not merely personal peace - but forgiveness for people who have hurt her and a joy in living exemplified by art and dance What a journey! The author's tenacity, courage, and judgment are on skillful screen in this page-turning memoir. It is a true tale of a woman's travel through lifestyle involving city through rural living. and the trip takes you through an eternity of experiences, adventures, sorrow and pleasure, hippie communes and Hollywood makers, strict English academic institutions and spiritual Indian cults. topless dancer; arrestee for vagrancy while living in a commune; I can't imagine there is anyone who can't relate to this primal want that Kimberly recounts so beautifully in her memoir. owner and operator of restaurants; scientific therapist; and fabric artisan.) Her trip with parents who have been never there for her (and worse) through New York, England, California, rural Kentucky and other areas is amazing. getting transported from vastly different environments over the Atlantic; living mainly because a disciple in what ended up being a cult; an arranged, loveless relationship; the struggle for an education; a cruel interview with David Merrick; a hard second marriage; and a trauma that inflicted neurological harm that compromised her eyesight and still severely impairs her capability to speak.. Through all this, she has been able to find - not merely personal peace - but forgiveness for those who have harm her and a pleasure in living exemplified by art and dance, walking and bird-watching, and meditative retreats. She doesn't sugar coat anything. I have to admit to presenting a bias about this book, in that Kimberly is a friend. All children of alcoholics should read this I will always struggle with the discomfort of not getting loved by someone who was not in a position to nurture thanks Excellent Read Kimberly Child's book grabs you in the beginning and keeps your interest throughout. . So well written! Kimberly's book catches you and goes in a journey. It's therefore well written, you feel transported from web page one; She writes of all the roles she's played: flowerchild in the Haight in the '60s; Overall everyone in this world includes a story worthy of telling, provided that they find the right words. Kimberly Childs has those correct words. I thoroughly appreciated reading it. Her memoir displays everyone's life in a way, because we all had a mother, an imperfect one, but a mother nonetheless. Opens your heart We all just desire to be seen, heard and above all loved. disciple of an Indian guru; Should anyone ever find yourself judging others because of the clothes, their voice, their hair, their history, their rich or poor conditions, look again but look within! This book will open

your eyes and remind you of your capacity for compassion and love for yourself as well as your fellow individual beings. . A lot of her story, also if the circumstances will vary, is something a lot of us (women/baby boomers) can relate with. She grows up in a privileged environment tarnished by psychological neglect and broken promises. She becomes extremely self-sufficient even while searching for that loving relationship. The journey proceeds as we witness her curing from frequent disappointments and loneliness to self-recognition and appreciate. It's a beautiful read! Yet that said, I enjoyed it thoroughly. Although her experiences are exclusive, the reader will connect to the author's longing to find a sense of wholeness in a world that feels chaotic. Born to a mother with no maternal instincts – who progressed into a raging alcoholic – Childs spent her childhood in places as varied as a boarding school for the daughters of the English elite, and a farmhouse in rural Kentucky without interior plumbing. This is an excellent book and an easy read. It was reminiscent of the Glass House – same journey, different situations.. Her life tale is unbelievable! It sensed just like a novel, my jaw just kept dropping! I am in awe of her willingness to share the most intimate details of her life. My publication group examine this and had a very lively discussion and then we had the enjoyment of meeting the author and additional discussing the reserve with her. Very readable and incredibly touching. I totally enjoyed scanning this book from the first page to the last! What a amazing, touching, and enlightening chronicle. This is a testament to the stamina of the human being spirit (especially Kimberly's! And of her existence traumas: a toxic romantic relationship with her alcoholic mom; I so identified with her search to find meaning in specific situations (SAN FRANCISCO BAY AREA flower child, good and not-so-good spiritual communities), and to ultimately think it is within herself, is actually inspiring. Others who have experienced life with an abusive Mother or lived through your brain bending connection with a cult might be angry and resentful. ... A Memoir to Remember I finished it in two times and I'm in awe of the author's capability to transform a existence of loneliness, abuse and neglect into an adventure in to the realms of understanding, like and forgiveness. My friend Kimberly Excellent read, very captivating and amazing. The journey continues as we witness her curing from frequent disappointments and loneliness to self-recognition and love. Wow!. But even though Kimberly shares her deep disappointments, pain, and suffering, she will so with what of a smart and compassionate artist. She then experienced being a hippie in the 1960s in San Francisco before becoming part of the group of a guru, Sri Chinmoy, for over 10 years. Incredible and completely believable at the same time, her story came to feel allegorical and I really believe it will contact each reader deeply.. An extremely compelling autobiography. Eventually, she made her method to Asheville, NC, where she right now resides, and where she has also lost her voice. Yet through everything, she has were able to maintain a confident outlook on life--in large part due to her regular practice of meditation.--How Kimberly has were able to both grow and heal herself present that can be done, regardless of your circumstances.and in some ways it did.. Kimberly lived through many challenges within an atmosphere that from the outside might have appeared glamorous, but was the truth is very deprived. I came across myself reconsidering a few of my preconceived notions, reflecting and reaffirming the infinite potential that people all are. Through the many stages of her lifestyle tale from childhood onward, I was rooting for her on the way and witnessing her rally time upon time to finally arrive to forgiveness and peace.
