## Recipes for a Successful School Garden: A Guide for Parents and Teachers

[continue reading](#)

Based on the 2015 USDA Farm to School Census, the percentage of open public elementary schools with backyard programs almost tripled between 2006 and 2013. The past 10 years has witnessed substantial growth in the amount of school gardens in the USA. Many schools have grown to be alert to the multiple health insurance and academic great things about school gardening for learners, teachers, and communities. Recipes for a Successful School Garden details the process of planning and owning a school backyard while following a yr's curriculum at Seth Boyden Demonstration College's "Strawberry Fields Garden" in Maplewood, NJ.) lessons that co-writer Maggie Tuohy has adapted during her fifteen years working in school gardens. The actions included in the reserve represent the most effective (and fun! An important source for parents and teachers seeking to establish, garden, teach and cook outside within their school garden, Quality recipes for AN EFFECTIVE School Backyard is a publication that each school garden should have in its tool shed.
