Lots of helpful information The Modern Organic Home is filled with over a hundred DIY cleaning recipes along with ideas to have a clean, organized, and harmonious home. It's been my favorite book. Great content Viewed at library 1st and precisely what I wanted:) cleaning recipes good book Great Book, Easy Go through!Must Have This was exactly what I was looking for to add to my assortment of handmade products for my home. The photos are gorgeous and the writer, Natalie Wise, makes it sound very easy that I experienced like I really could get rid of all my old chemical cleaners and dive correct in! This is what I was looking for!! YES! The majority of the substances are things I curenly have in my own pantry so it is inexpensive and effective. If you're like me and you are considering a way to reduce the chemical load in your house in a manner that is easy on the wallet, be kind to yourself and purchase this book. It will come in a Kindle edition but I bought the hardback and I'm glad I did because it is really beautifully done. Great book Lots of useful information
