Better Get This Before YOU WILL NEED It Amusing and informative accounts upon survival situations from the mundane (power out) to the amazing (hunted alive, etc. And -- Always Be Prepared - for the worst case scenario coming your way! One small nitpick: his "quad chart" tables showing seriousness versus likelihood are backward. He is 10 and a cub scout and reads everything on survival methods and he loves the reserve. General Survival Entertaining go through, not overly filled with info but. This book is quite cool. Overall I was entertained and reminded that getting prepared is essential to survive. Useful and interesting; Fun read; I paid 18. Gave several as Christmas presents, went over very well. Looks just a little silly by the cover, but great helpful details, you never understand when you will have to know some of these things! A happy grandfather I bought this reserve for my grandson for xmas . Worse always goes correct and up.. Since you can find other books on survival in the series I plan to buy more as his birthday approaches. An ideal gift for Gen Z A must have for Gen Z . Go through this publication. Barb L. Builds confidence that you could survive anything from common ordinary catastrophes to appocolyptic catastrophes. A fun read aswell.. What I'm picking right up on mostly is you must use your own great judgement and battle or flight abilities to survive the unspeakable of episodes.) Practical details plus Accurate/False myths. Lifestyle comes at us fast occasionally and we need to be able to "believe on our feet" at a moments see. I will survive! This is exactly what I wanted and when I acquired it it had a 3.00 price on it. thanks. Five Stars Sturdy, as it should be, construction and dynamic layout. Bits and pieces to keep you considering. I bought it for my teenage boy. He read elements of the reserve to his youthful brothers because it is so interesting and they appreciate it also. I recommend it. Cool Book! Our best reference for "wish this under no circumstances happens.. He actually read most of it!00.." Five Stars Bought this for my grandson who is 14. Four Stars Great gift for the survivalist Father! high quality book so so thus helpful. important info! This is exactly what I was looking for and when .. This book has great survival skill techniques and true to life stories This book has great survival skill techniques and true to life stories..... Good book however, not "like new" as advertised. Great book. It said it was like new but it wasn't. One side of the reserve was messed up.
