The God body is you and you doubt your good personal and your God personal while attempting to grow nearer to God. You're changing and because of this you're attempting to manifest everything you know you are worthy of and that requires modify, reflection and uncomfortableness. Noesis is normally intellectual truths. The truth is, there are universal truths instilled in you that you need to know and understand to enable you to overcome agendas that want to regulate your physical body, your spiritual body and the intellect within you. You understand these common truths, but society offers cluttered the soul with mixed messages in order to control every element you will ever have. Noesis is in the hands for one reason and one reason just; you're trying to live your best life but you don't know very well what or who to trust. Generally there's a God in you. The God that you've been unaware of. You're attempting to evolve into the best edition of you; to give you back the energy of your God body. Noesis is that trust, it's consistent astuteness in a global that's forever evolving. Noesis can be wisdom. The God that's been confined and right now in this moment in time you've been given the opportunity to break free from the shackles blocking your development. Noesis is usually you. Noesis is the God in me talking to the God in you and the cognitions located within these web pages will empower the God within you.
