The FLIGHT
ATTENDANT'S
SHOE

"Fashion takes flight ... totally a book dedicated
to the wonderful world of airline fashion."
PETER MCGRISSET

Prudence Black

The Flight Attendant's Shoe

[continue reading](#)

Stiletto heels, miniskirts, bobbed wigs, shiny new technology, and exotic places were all part of the cosmopolitan life-style of flight hostesses captured in this tale of Australia'from khaki military-style to the Indigenous boomerang print'; Exploring the Australian fashion market and the range of styles created by famous brands Emilio Pucci and Yves Saint Laurent for flight crews's Qantas airline uniforms in addition to those of other airlines. Stitching together social and industrial history, that is a special event of a time when flying was really glamorous.this book is really as much about the etiquette and protocol as it is about the fashion.
