An absolute must have! I gave it to my step-son for Christmas. I highly recommend this to read before disaster strikes. He's an avid hunter and I thought it could come in handy. It'll motivate one for preparedness. Plenty of important information. Lots of important information Great book. Great reserve. Gave to my boy, I have one. Good present for that hard to get person. Survival nowadays I was pleasantly surprised at the size and breadth of the book! This book covers everything. Aswell it is so interesting it is possible to thumb through it and eliminate yourself in time as it is essential and fascinating information. He just flipped through it and stated his whole family could reap the benefits of it.
