plit into four chapters of Aviation & Motorsports. Praised by Karl Lagerfeld since "the place for inspiration", The Classic Showroom is a distinctive assortment of men's vintage clothing, revered by collectors, style designers and stylists, who rent out its unique pieces as a source for fresh designs. Tailoring and Gown Uniforms, Utility & Denim, Sportswear & Weatherwear, The Classic Showroom provides a exclusive overview of the best pieces from the collection. Lavishly illustrated with specially commissioned pictures, showing the clothing information and highlighting the features that produce each piece unique, this beautiful volume is a must-have for designers and fashionistos just about everywhere. Featuring from a bearskin bomber coat and fur-lined flying trousers to the original US navy peacoat and waterproofs worn on the British Antarctic Study, the book is a mine of tips for designers and stylists.
