The core focus of the book isn't just the story of men's style, but the men who embody it and act as its most inspiring exemplars. Comprising profiles of their colourful, dapper lives, sartorial and personal, explaining too how they have designed menswear today. Males of Design profiles the best-dressed guys of latest centuries: from actors to statesman, playboys to painters, the iconic and the even more unexpected. A style information with heft. A useful for book for students of fashion history, supporters of superstar and stylish men as well.
