Four Stars nice book Five Stars thank you!.. Not thrilled with this publication. I'm a specialist and wished something more complex and mature designs. That is for beginners and younger Fun book with plenty of nail art. Nail It, You could have your fingernails look in any manner you want!.. Great examples, can do anything! I loved it and would recommend it to others. Cute book.. Five Stars Awsrse! The pictures are good but, for a beginner their must have been a section for beginners. Their wasn't plenty of details. Those book appears to be even more for advanced nail painters. Once I'm convenient with my nail painting the book will come in handy. Holding For Future Use! I'm a specialist and . I'm so happy I have this book I'm so happy I've this book! And now that I simply received my nail art brushes, I'm going to have so very much fun with this. Not really thrilled with this book.
