You will surely discover something in this publication you will like This is very best for the beginner wanting to learn nail art This is very best for the beginner attempting to learn nail art. Beautiful designs.. We was picturing a book that taught some different nail art techniques or techniques to the trade.... Would cope with them again. I would borrow this reserve from the library instead of purchasing it... Happy with my purchase. This is a disappointing book I purchased it because I .or possibly if you discover it used at a great deal. In any other case, I am confident you can be slightly disappointed... One Star Was disappointed with this reserve... Many designs are actually far out however there are lots of that are for the average individual. I desire I was a better artist .. This is a disappointing book I purchased it because I was wishing that it could show me exactly how the nails are done instead it was just pictures of nails already completed Four Stars Very nice book for nail concepts. Wonderful examples! Nail Art Great book, lots of web sites listed in the back.. Great pictures, was hoping for even more detailed instructions. Should try to learn how to utilize the brushes to attain the designs. Nail art Great nail art reserve. Wonderful examples!Not really what I was hoping for. Some people make it look so easy, having the reserve has helped my pathetic attempt on nail artwork. Its nice to possess in the store too. Customers get ideas from it.I desire I was an improved artist so I could do a better job at painting the styles. Giving one to my grand daughters and something to my child. They like them, well packaged, fast shipping.instead this is a collection of photographs of manicured nails and not very exciting. Two Stars No instructions, just photos of very poorly done nail art.. It had been just pictures, no instructions or tutorials Good for ideas. Lots of guidelines.
