It really is visually beautiful. The rest fo the publication is devoted to 14 silk painting tasks all with a number of resist methods.! In case you are intermediate, this publication reinforces what you know but doesn't actually add anything- and doesn't purport doing this. Glad I acquired it, gives to my mom who would like to try but doesn't wish lessons from me. This book models out the basics of silk painting, and provides you more than enough instruction to truly get you began without overwhelming you. SHE'S SOME VERY NICE IDEAS IN THE BOOK. For a beginner's information, there is very much missing information and the step by step demonstrations are missing some details. Exactly what I wanted, to guide me right into a new hobby. Beautiful book The illustrations are beautiful and the instructions appear great. I cannot wait to go collect my materials and begin! I learned my lesson.! Covers the fundamentals and has very great instructions and photos. A positive overview of Mandy Southan's "Beginner's Guideline to Silk Painting" Mandy Southan's "Beginner's Instruction to Silk Painting" is normally a fine little book that provides a good introduction to silk painting. Great book for beginners This book is very good for beginners. She actually introduces the basic required materials in striking labeled color photos. Mandy Southan also devotes 5 pages to the consequences of silk paints and dyes. THE Guidelines ARE AN EASY TASK TO FOLLOW AND THE PAINTINGS ARE BRIGHT AND COLORFUL. She devoted three webpages to color blending in an exceedingly neat table format--all very useful for the beginner. Wish I had this publication BEFORE I started painting. At the end of the book, she's a useful illustrated glossary and an illustrated web page listing common errors. I highly recommand this useful introduction to silk painting. Beginner's Information to Silk Painting BEGINNER'S Information TO SILK PAINTING ANOTHER GREAT Publication BY MANDY SOUTHAN. On the 1st two, she shows types of how the paints and dyes connect to one another using different wet and dry methods. Okay, but not an excellent beginner's guide. I LOVE PAINTING SCARVES! Great Starter Guide - Highly Recommended. I expected even more from a beginner's guide. Lol! It is obviously written and easy to understand with a lot of diagrams and additional info to take you further as you progress. It can help you to outline your 1st project and provides you some hits and shortcuts to save lots of you grief also to build your self-confidence. Now to shop for a few supplies. :) Great Starter Information - Highly Recommended, wonderful instruction book Great book-----taught me every aspect of silk painting and then some. I cant even say if the book was any good. I learned my lesson Usually do not buy this reserve on Kindle. Try it as a difficult or smooth cover, The Kindle version was so difficult to learn, I cant actually say if the book was any good. Five Stars I loved this book, details and hints are very helpful FANTASTIC Great book!
