Mploy – A Job Readiness Workbook: Career Skills Development for Young Adults on the Autism Spectrum and with Learning Difficulties

[continue reading](#)

This self-guided workbook would work for adults aged 16-26 with ASD (Autism Spectrum Disorder) or LD (Learning Differences), to teach the necessary skills for entering the workforce and forging a meaningful career path. Detailing the College Internship Program's (CIP) effective Mploy program, the information in this book will help young adults to develop self-confidence and build social connections. Providing insight into a range of industries and workplace settings, this workbook will help you to support teenagers in selecting rewarding and successful careers. Essential topics include: Career assessments · Creating effective resumes/CVs · Interview skills · Company expectations · Professional communication · Overall performance appraisals · Handling tension in the workplace · Public thinking · Executive functions at work Including activities and ready-to-use worksheets, that is a focused look at finding your way through work.
