An Employer's Guide to Managing Professionals on the Autism Spectrum

Workers with an Autism Spectrum Disorder (ASD) may be hugely good for a workforce, but it can be problematic for individuals with no formal schooling to manage these employees successfully. This definitive guideline can help managers and co-workers successfully connect to and support these professionals on the autism spectrum in order to ensure mutual success. It will allow them to activate with and support their co-workers on the autism spectrum in a respectful method and help them accomplish a greater level of working success. Easy-to-implement strategies to adapt the functioning environment are provided, such as for example agreeing on nonverbal cues to signal ending a conversation or establishing parameters for suitable email length. Barriers to productivity are highlighted, such as the sensory environment, miscommunication, and inadequate training of colleagues. This book is an essential resource for anyone who works with specialists on the autism spectrum.Integrate Autism Employment Advisors use their experience advising companies on how to successfully employ professionals about the autism spectrum to recognize the everyday challenges faced by employees with ASD at work and sets out reasonable, practical solutions for their managers and colleagues.

I also highly recommend: "The Complete Guide to obtaining a job for ..It is well crafted, clearly presented and, "real". Invaluable!I train at a university and can add some chapters to my syllabus. I also highly recommend: "THE ENTIRE Guide to obtaining a job for those who have Aspergers Syndrome : Find the right career and get hired by Barbara Bissonnette Great help for employers Beat book I've read on coping with individuals on the spectrum. Furthermore it is important for anyone pressing someone on the spectrum, coping with someone on the spectrum etc etc. Strongly suggested with useful tips for everyday situations I think it is one of the most essential books to bring to the attention of people dealing with people on the spectrum. Great help for companies, parents and the ones with Autism!. It captures voices of the people with ASD, the employers, the globe today and more. I bought three copies to give out after reading this.
