An Incredible Gift!!! From the time I was 5 years old I was requesting God who I was and just why was I born. I have already been a student of Mastering Alchemy using the tools & discovering how to live a happier & more fulfilling lifestyle through the issue it often brings. This book is the "user's manual" for navigating our changing planet. the possibilities which are still reachable.. You not only read the lessons for understanding but can encounter what each lesson brings through the meditations. It touches the soul. I have been a seeker of truth through many disciplines, however the profound yet basic truth of the center of God uncovered in this book inspires an awakening within. Ordering several copies for folks I care about as well. As I go through Jim Personal and Roxane Burnett's latest book, I find myself understanding what I've learned in the Mastering Alchemy course at an even higher elevated level. I have been practicing the various tools of Mastering Alchemy for over 6 years. Many thanks Jim and Roxane for composing it. The best ROMANTIC DAYS CELEBRATION gift ever! I have already been a MA pupil for the last 6 years and will totally recommend this course in book type! I use the various tools daily to navigate the change we are in. Having experienced the Mastering Alchemy system I was amazed how this publication embodied the program that is lifestyle changing for me. When I am not near, but they are ready to hear, find, feel and allow what's possible, it really is now available to them. The 365 pages of the reserve, in addition to the links to the prosperity of material to play with, will keep them company day after day. I can verify the awesome benefits of all the tools in this book As a level 3 Mastering Alchemy student, I can attest to the amazing benefits of all of the tools in this book. It's like buying a whole library. It's an incredible gift that I am recommending to all or any of my close friends. Revisiting the various tools has given me an even greater insight than I originally experienced. This book will be an important reference that I'll continue to refer to for the rest of my life.! This reserve is usually a "Treasure" in my library! It is filled with useful and practical info which you can use in every of life's situations. Many thanks Jim and Roxane for answering the call and getting this invaluable info to the world at the precise time it requires it the most. What a gift! It'll start a journey in your life that'll be quite profound. Mastering Alchemy since 2009 and it has been a wonderful span of study to follow I've been a student of Mastering Alchemy since 2009 and it's been a wonderful span of study to follow. then this course is normally for you! The information included in this book can and can change your daily life. The authors are authentic and effective teachers to guide you every stage of the way. I really like this book! A Training course in Mastering Alchemy: Equipment to Change, Transform and Ascend~Gail Benker, Thornton, CO Exciting! I have listened to his YouTube videos for a while so I'm not unfamiliar with his work. The timing is perfect for this transition that people are in! !! Reading Jim Self and Roxane

Burnett's new publication has helped me even more to discover the depths of myself & As you browse, the text radiates a system of unlimited potential, joy, beauty and peace. The non-public examples are fun to read and give me a fresh perspective. The online videos, audio and meditations combined with text is what makes the book fascinating for me. In fact, the Mastering Alchemy Program has totally changed my entire life and continues to take action. I've always wanted to create a difference on the planet and within the pages of this book I have found a way to perform it. This reserve, in the very first reading, has made it easy for me to anchor the various tools into my getting in a fresh way. .This interactive book really helps to truly understand beyond an intellectual level the stunning beings most of us are.. If you want a deeper understanding of who you are and desire to expand your awareness in a way of being "WOWED" atlanta divorce attorneys lesson thinking how do it get any better than this PLUS give you the tools to do it with; I've learned so very much about myself through the on-range classes and webinars. For me personally, it's the sort of book that I detect a regular monthly basis and examine a chapter or two and utilize the tools. You can easily understand and the energetics in this reserve will touch your heart, mind and soul with techniques you have to encounter for yourself. If you want this reserve, you will LOVE the course! You really can enjoy each moment of your life This book is a treasure. Much anticipated assortment of tools and helpful information to inner wisdom to be happy and living with a smile on your face and in your center every minute of your day. I've recommended it to many people and will keep doing so. If you are looking for greater independence and more clearness on your purpose (why you are here), understand this book and begin the training course.You will experience results rapidly. You really can enjoy each minute of your life, in the event that's your priority. -- P.S. NOW I AM in level 1 of the Mastering Alchemy course and I have to add: the book is not a replacement for the course. Enjoy.?? Awsome book Excite To remember and keep that memory Tools to understand and live by everyday. You really need to be conscious to brand-new ideas.! I signed up for his 1st level online class. I purchased the book because it offers more information without registering for the additional level. Its a publication to review intensely and practice regularly. I refer this reserve to everyone! A friend told me concerning this publication and anything regarding Alchemy and I'm intrigued. This publication is amazing. I've throughly enjoyed the annual weekend seminars and today to have a book to make reference to is simply ideal. I QUICKLY read more another month, etc.A Course in Mastering Alchemy: Equipment to Shift, Transform and Ascend What a Treasure! And with the very generous videos it offers too, it's an amazing toolset for a person seeking to create even more ease and joy in their life. Fantastic read This book changes your life ! Its an intense study guide. Not really for just whilst you are reading. To

remember who and where we came from and to get back to. Thank Jim and Roxanne Must read ! Incredible book GREAT TOOLS MUST Browse FOR SPIRITUAL SEEKERS Love! I'm thrilled for the many lives it'll touch! It really is answering questions I've had my very existence and showing me things I never was alert to. My partner was so intrigued with what I informed her about any of it that she bought the book as well (I am reading the Kindle edition). Many thanks so much for making this information available. Five Stars This is probably the most powerful books the information and exercises are empower.
