Not worth the amount of money, just buy the whole Bro Code reserve. Plus short enough to memorize the nice onea I bought this for my son and he unquestionably loved it and cracked up while reading it I purchased this for my boy and he definitely loved it and cracked up while reading it! I maintain it on the espresso table for organization to get some good laughs in but in the event that you really take this with you it is larger than your wallet.! Unless you believe me just look for "Barney reads the Bro Code" on YouTube and you will discover him reading the whole book (original, not this version) in under 2 hours. This is a very brief examine. "Every bro on the go needs to know that that's no accepted substitute"... Yes, I quoted that. As an enthusiast I can't stand it!Fun read while on holiday. :) I might be obsessed I have the physical book, you will want to buy the cd? Two Stars Not good book as I thought it might be. Five Stars loved the display and each one of these books. Buy the set How I met your mother is the best! Not so vital that you the show experience. Open up to the first bro code and busted away laughing. It had been under 4 dollars therefore i figured what could it harm. This makes a great gift also you is going ahead and purchase the 3 group of the books good things come in small packages We am a big enthusiast of the show and one day I ran across this. If you really love HIMYM you'll know What's to say? 125 pgs. 1 bro code/ joke per page. This one is similar to a condensed edition but actually, the bro code can be read in less than 2 hours! Just saying. If you want to browse the Bro Code go straight to the regular book. He's a single young man so could totally recognize with "Barney".! love it , very cute and convenient to carry around. I could just put it on my purse ! As an fan I can't stand it!!.. If you really love HIMYM you would know. Super cute and I love it ! Who requires a condensed version of this?
