. "Francesca Tolot may be the most extraordinary make-up artist of our period . The pictures in this reserve speak volumes about the intimacy of the camcorder and the willingness of 1 girl to show all the many, exciting parts of herself. ." —Beyoncé Knowles Makeup artist Francesca Tolot has worked with Hollywood's top stars (including Elizabeth Taylor) and for all the major magazines. Includes a foreword by Beyoncé One Female, 100 Faces celebrates the unique collaboration between Martin, Francesca, and photographer Alberto Tolot. In breathtaking images, it captures both Francesca's amazing artistry and Martin's stunning transformations through the years. Knowles! by turns innocent, graceful, feminine, natural, sexual, and mysterious—Mitzi's appearance morphs completely, even magically, with every turn of the page. But for 20 years she has had a special romantic relationship with one model: the exquisite, chameleon-like Mitzi Martin. Embodying and intimately interpreting 100 different forms, moods, and identities—

Must have if you are a makeup artist Great imagery. But if you want a beautiful hardcover to place out for company which has a beautiful aesthetic and tells the globe a little about what you're into (make-up, in this instance), then that is for you. It really shows you how great make up paired with great lighting and photography can make a compelling image. The coffee table publication or a great book for a make up studio. First, understand this isn't a how-to. Not that type of book. Aesthetically, it includes a lot to offer artists, photographers, and folks who want to push past preconditioned principles of female beauty and power. Makeup Artist Must Sunning picture taking, seriously creative design Four Stars This book is full of beautiful pictures and incredibly inspirational looks. make up Features 100 photos of one woman in different looks so that she appears different. Truly, a masterpiece of design! A Masterpiece of design! Enjoy! This book is on my coffee table right this minute! When I found this book, I knew I had to get it, let me tell you it doesn't disappoint! Exactly like Francesca Tolot, I was a tomboy and really didn't value make up, however now I'm in my past due 40's, I'm quite definitely interested in constitute. A Gallery of Glam. Just Beautiful! great photography, makeup, styling very nice book and interesting project Inspirational Every page enables you to visualize your own creative potential. Highly recommended. The goal is to highlight the ultimate look, not the procedure behind it. If you like make up and great picture taking this is actually the book for you. The delicate nuances that make a difference in an image are simple, yet eye-opening. Took several days to get but worth waiting for. Get the creative mind jumping. This book displays how you can take one girl, great photography and one of the best make up artist and she may become whatever she wants. . . Gave this to an actress/model friend of mine and it has become one of her favorite books. Usually do not buy if you're wanting to learn how to do a few of her constitute techniques. This is more like a skill gallery for Francesca's exclusive makeup looks. It's actually a skill book. It's not really a study of layering and color and technique. It was worth every penny. But, if you are a fan of make-up experts as performers and are looking to draw inspiration from some exclusive and fresh makeup designs, this book is an excellent choice. The one thing I'd be aware is that this could work well as a coffee table book. If you are looking to it solely for inspiration, that you can do just as well on Pinterest or Youtube. It is possible to Google Image Search all of Van Gogh's function. Francesca is one of my favorite makeup artists therefore to find this collection get together through the years in her career is amazing. Five Stars Beautiful book, gorgeous pictures! This book is exquisite in idea and execution. Taken over a couple of years. Some bare epidermis. Insightful.
