Parenting a Teen or Young Mature with Asperger Syndrome Tells it enjoy it is and is quite up to date on all of the facts you need to know about handling teenagers with this dreaded disease which has no cure. Four Stars Great insight.Five Stars A must go through for anyone with a teen on the spectrum! It really is like reading thru a cloud! Informative We gave this only 1 star because after several calls to Amazon, We still barely see the pages. Not a useful tool Disappointed in the content. Honestly, there are no tips designed for Asperger's. Honestly, this may be a parenting publication, but not what I wanted.If you want a simple understanding of parenting a child. I need more information about the nuts and bolts of the disorder and the best way to help my son.I already know how to be a parent. This would be an okay reserve.
