Very cute for the beard fans! It was humorous in addition to instructional. My hubby read it as well and the guys in my household got a big kick out of it, as well as some very nice pointers for their beards. The only cause I gave it a 4 star rating is the size of the book meets it's title. It is a little book, almost pocket size.along with some great pointers for their beards We bought this cute Little Publication of Beards for my fully bearded 18 yr old son.
