Now this reserve made me laugh! I bought this publication and another to review & probably give as a gift to a fellow senior. That one is a winner. It made her laugh and produced conversation. I laughed nearly on every page. Browse this! More laughter? Well put together little book. Read this publication to a dying mother I got this book to learn to my dying mother. It is funny with great pictures included. Small snippets, organized by styles and many comedians with repeated contributionsRecommended readingMay be a good retirement gift too Four Stars Very funny, great gift idea. Wisdom from several resources, but light vignettes Easy, Five Stars a dandy little book. Highly recommend. thank you. Isn't that what most of us need? Fun , short, uplifting tales tales and jokes about learning to be a senior. At first, I was hesitant to even approach "growing older" subject material with a dying mom, but it proved she was so mounted on the funny responses in it that it produced her really laugh. a genuine find. Can't sleep. Loved it It was a cute go through. I loved how the subject matter of this publication trailed her off into previous childhood memories..
