This catalogue does a great job encapsulating the experience and reminding of an amazing time and place that may never happen again. Could have been nice to include the music that was perfectly intertwined with exhibition (I believe it could be separately available from the V&A). pleasure conducting business!!Wow--so much to see and browse.Welcome to the Late 60's The companion book to the V& Peace and luv Anyone who all lived through the 60's and 70's will like this book!
