Simple, however Profound and Life-Changing with Discernment We was prompted to get The Four Agreements which 1 from my bookshelf just prior to moving out to Utah for The Reset Experience and the timing couldn't have been more apropos. Let go of expectations and accessories to outcomes."At 111 pages, you have simply around an hour to invest, but it's worth each and every minute. Often instances, the simplest & most concise messages are the kinds that resonate with me probably the most, perhaps due to my monkey brain and the tendency for this to wander! We've Seven Laws as follows; The Seven Spiritual Laws and regulations of Success are suggested reading for everyone. Amazing Anyone struggling with life should browse this book. More upon this later. Deepak Chopra This is an amazing little book that seriously changed my entire life This is an incredible little book that seriously changed my life. This revolves around "purpose" and it should be giving and receiving that's unconditional and from the center. • REGULATIONS of "Karma" or Cause and Effect —> I really believe we all understand this one!• The Law of Least Effort —> Follow the path of no level of resistance. When you work in your Area of GENIUS and find Movement, everything becomes effortless. Basic yet powerful this book will change lives. When you place your attention on your intention, you will attain the desired outcome. • REGULATIONS of Detachment —> A lack of knowing the real "Self" creates attachments based on fear and insecurities. Even though title reads The Seven Spiritual Laws of "Success," it could also read a The Seven Spiritual Laws of "Life. The Law of "Dharma" or Purpose in Life —> REGULATIONS of Attraction (The Secret) plus 6 more. The practice of not judging anything for the day, and the practice of silence are particularly beneficial to me. It'll be the initial comment below. This book is easy, yet extraordinarily profound. If you're able to discern the text messages in this book AND apply the concepts, I guarantee you'll look for a better YOU and effective method to live! Amazon offers 4.7 stars after 1,204 reviews. Goodreads gives 4.08 stars after 43,967 ratings and 987 reviews. That is a classic must-read for anyone and everyone. Pretty soon it will alter your worldview, cause you to an improved person, keeps you concentrated and on track. I came across this book ten years ago after traumatic tumor surgery. Life changing reserve. Write the times of the week on each chapter. Each day, re-read one of the very brief chapters when you wake up.Much Love! Together with transcendental meditation as well as your life will change for the better. Believe me. No therapy required. :) Insightful book Insightful and practical guidebook on aligning your consciousness, your being to the energy of the Universe, to be able to effortlessly release your wish to the Universe, and learn to let go of expectations, and allow Universe make things happen when the time is perfect. I took an image of a page on the plane that I will remember. I also found the Law of Pure Potentiality extremely interested. Great easy and super-fast read Like most folks, I've seen Mr. .. Amazing spiritual and useful knowledge! Nonduality conference and witnessed Mr. Chopra deliver a knockout talk in 16 a few minutes. God's thoughts alone matter and the others are details? thank you Mr. It works if you work it." And so it could—Truth in Advertising in any event. This chapter by itself made the entire book a worthwhile browse. Thank you! The rest of the 5 laws and regulations were also intriguing, but not everything worked for me.! Chopra sometimes would go to extremes by suggesting these techniques be practiced on a regular basis. I recommend you start with baby measures and moving on from there. That way, expectations could be met with less of a opportunity for disappointment. I highlighted many passages through this publication. You can find precious gems everywhere. Highly recommend! Words to live by Deepak Chopra's introduction to The Seven Spiritual Laws and regulations of Success begins like this: "Although this reserve is usually titled The Seven Spiritual Laws of Success, it could also end up being called The Seven Spiritual Laws and regulations of Life. From all of the 7 laws outlined in the reserve, The Law of Giving resonated probably the most. ????#FridaysFind #MIAGD #DeepakChopra #TheSevenSpiritualLawsOfSuccess #WeAreCreators #Karma #Dharma #UnconditionalLOVE #PurePotentiality #Consciousness Alongside TM, this will change your life. It had been truly a Godsend and I've kept it nearby ever since. I have more than one of the hard copies, that i give away every once in awhile, and have digital copies on my computer and e-reader. Everyone I know

who has examine this publication has been helped by it. In my own hardback edition, the initial three pages are a little bit theoretical for my taste, but from there on, there's not a wasted word. Some of my fellow Christians shy from any spiritual writings that are not strictly Christian, but anyone of any faith can benefit from this book. Insightful This a really inciteful read Annual Read I read this book a few times a year. As you know if you've read the Gospels, Jesus offered plenty of practical advice along with His spiritual teachings. Chopra's practicalities do not contradict the practicalities of Jesus; they complement and support them. • REGULATIONS of Pure Potentiality —> Game changer This book is so enlightening. sometimes we can get all swept up in the gloom and doom that continues on around us in the mass media and forget to research. I actually searched online for the books he's written and I came across that one: THE SEVEN SPIRITUAL LAWS OF SUCCESS.• The Law of Giving —> I've read it 50-60 situations & it proceeds to help me get things I'd like from life. Integrating success with spirituality is certainly a topic I'm very much thinking about, so I got this book and browse it in just a matter of days. This one really struck house. What we think & talk about is what we get in the future. This is a classic must-read for anybody and everyone. Chopra on CNN. He's well spoken for sure, but I wasn't especially interested in reading any of his books. I REALLY LIKE the author Can't fail with Deepak Chopra to fullfil literary spiritual requirements. That one gets my seldom offered up 5-Superstar rating and it's one I will read again and again should I ever require a reminder. Its so simple and you can find therefore many lessons to understand from Deepak's wisdom. Great read!Then I attended my first Science & REGULATIONS of Purpose and Desire —> I can't wait around to live this truth each day. Amazing Very good book! Excellent! Truly transformative. THE SEVEN SPIRITUAL Laws and regulations OF SUCCESS is a quick and easy browse and I would recommend it to anyone interested in more from existence than just material success. Each chapter has techniques to follow, but I feel Mr. Awesome book! Great book!! It really is practical suggestions about living and functions for anyone. I really like it. This law is about pure consciousness, something I didn't fully grasp until AFTER The Reset Experience. It offered me hope and demonstrated me I can find happiness. These are concepts that translate to any language of culture, a great basis for well-organized and lived life...
