Would like to save some people money if possible Would like to save some individuals money if possible. I have viewed the 15th, Centennial, and 25th edition and they all possess the exact same information. I can tell you that the 15th has 10 more pages and updated brands + glossary. You should not pay more than \$79.95 for the reserve (any version). You can get it directly from the company "Christopher Publications" for this price. The 15th edition & Centennial are exactly the same- web page by page except at the end of the reserve it's 10 more web pages of Glossary Conditions in 15th edition. Healthy living This book is more helpful for healthy living than any prescription in the country. I recommend this book to anyone who has health problems, also to anyone who will not want to get health issues. I did remember that the Index in the 15th & Wish this information is effective. Yarrow is usually Arrow, & Lobelia is certainly listed on pages it isn't) and the 25th edition's Index is listed correctly based on how to locate info. Centennial have misprinted information (ex. This is my to go book to reference against any illnesses I'm coping with. great information always A "Dr. Christopher stories of healing and now making our very own stories. This publication will be a continuous companion and is a must-have for just about any serious student of herbal medicine. His work and Dr. Christopher formulas which are sold commercially. I especially love what Dr. Christopher wrote about the herb comfrey. Comfrey includes a bad popularity and is often misunderstood in the medical community in addition to new college herbalist. It's in my own belief that big pharma had a lot related to its bad reputation using a misinformation campaign and fictitious fact acquiring declaration to scare the public off regarding the true recovery properties of this wonderful God giving plant and it's really safety usages. We encourage everyone to consult with license organic paths preferably old school to learn the real benefits and security of this plant. This is a 5 star book completely and I give it an extremely strong buy recommendation. Complete ? Learning to heal it Great! Please select my name to learn my reviews on other healing books, supplements and natural remedies which has helped me and my family.***** Become familiar with this book. It will be a great friend for a long time to come. I have an older version of this book that I bought in college many years ago when I first became intrigued by the study of herbal medicine. I recently bought the 2009 2009 Centennial Edition as a required text message in the School of Natural Healing Get better at Herbalist program, and I am very glad I did. Five Stars Highly recommend! But the larger font would have made it a bit less difficult on the attention. And there's a new and useful glossary of conditions in the rear of the book. The current text utilizes bold printing to name the condition, after which the recommended formulas are given. in addition, it lists the name of every herb in each category to enable you to look them up more quickly and easily without having to visit the Index. Dosages are updated, for instance a "wineglassful," the old-time dose for many teas, has been transformed to ounces.. Alterative Herbal remedies, Diaphoretic Herbs, etc);g. Extremely generously, the book gives the recipe and instructions for preparation for most of the Dr. Jethro Koss are my favorites and my to go books whenever I want to deal with an frustrating ailment. While most manufacturers of herbal treatments keep their exact formulas as closely-guarded secrets, this reserve shares the info. There is a section with everything you need to know about gathering and storing herbal products and how exactly to prepare herbal treatments in a multitude of ways. My child and I have learned so very much from Dr. Christopher's cleansing and dietary programs receive in detail aswell, with quite a few recipes. Use it to study the formulas, the average person herbal remedies in the formulas, and socialize with the herbal products. Christopher written by his child David Christopher, who presently runs the school his father started in the 1950s, the School of Organic Healing. My just complaint will be the little typeface of the book. John R. Several case histories make interesting and enlightening reading.

Did you know that Dr. Christopher was the only real Natural doctor in the United States Army? While I'm at it, I want to put in just a little unsolicited plug for the institution of Organic Healing. There exists a section in common diseases, giving causes and lists of suggested herbs. Nonetheless it is when you read the description of every individual herb, as well as the lists of formulas using that herb, that Dr. C's wisdom really shines. Christopher, great info always. It is clear that he includes a personal relationship with each herb, and his descriptions motivate you to great respect for the noble plant life that our Creator provided us for food and for medicine. Dr. True, it really is already a substantial volume and bigger type would have added to its 670 web pages. The Desk of Contents doesn't simply list categories like the earlier edition (e. Get to know this reserve. In the beginning of the book there exists a fascinating biography of Dr. Christopher function throughout his life speaks volumes about his understanding concerning natural curing. Amazing. I am significantly taking pleasure in and profiting from my herbal studies there. It's among the best colleges out there, with distance and online applications, and it all began with the humble author of this book. I would recommend anyone seeking to get this publication to get the 15th edition. When my mom had tumor and followed the instructions, the cancer went aside and she was healthful for over two decades. This buy is for a friend of mine in Ghana. I utilized it and cured diabetes in four a few months. I read a review stating that some of the herbal products were removed and I can just assume that the person owned a first edition because the 25th, Centennial, and 15th edition have yet information. can't fail with anything by Dr. C really was on the forefront and in the trenches in the times when alternative therapies had been eyed with suspicion in this country. Christopher's "School of Normal Healing" after buying many tinctures still offered by his family. The publication contains Dr. I've learned quite a bit from it. The publication is now one of the most important that I've, and I'm astonished by the wealth of knowledge it contains. Christopher's biography, a thorough explanation of various herbs, and dishes for all his formulations that he used in his career as one of the most famous American naturopathic practitioners of the 20th Hundred years. The newer edition, while retaining every one of the information in the earlier volume, is more user-friendly in several ways. great best book ever! Five Stars A must read on looking after your health, 1st person. This book can be viewed as the bible to natural healing with herbs. Christopher" book... The prior text experienced tightly-spaced text with no bold lettering, which was hard on the attention and made it tough to scan for info on the page. A must for any herbal reference enthusiast I stumbled onto Dr. With a few exceptions, these are his personal formulas, the majority of which he developed drawing upon his considerable training, knowledge, and encounter, but some of which he was given in prayer at essential moments. All one could require in learning about herbs "root ... All one could ask for in learning about natural herbs "root to flower " and their uses it is vital in the analysis of herbs very.***** In the event that you loved my review please vote this review mainly because helpful and feel free to ask me any extra questions and I'll response them to the best of my abilities. Best publication ever for healing everything. I made a few of the formulas and you can truly feel results. Dr. Dr. This is a fantastic book for anyone who does or wants to practice ... This is a fantastic book for anyone who does or wants to practice natural healing. I've owned and used this publication for over 15 years. When cancer came once again and she did the "regular" chemotherapy, it triggered strokes and additional bad unwanted effects but didn't cure the cancer. It is a fantastic book of natural healing It is an excellent book of natural healing, that ought to be at least dietary supplement if not a replacement for allopathic medicine.
