How to relate to the Art of Aging A must have for a counselor in training. Aging never gets old, we get old with age. The artwork of aging is usually instrumental in helping us to have the most out of our final years with grace and dignity. It informs our caretakers the way to handle us and how the aged can react to this part of life that is inescapable in existence. Reviewer: Robert W. Presents a biblical picture of Christian vocation and how exactly to care for loved ones. Aging with Grace, Grace intended for the Aging Modern scientific advances permit the body to live longer, but only historic scriptural advice allows the soul to live wisely. Then, it is to get up from the fireplace and enter the world empowered with Christ's resurrection power to live the rest of your respective days for the glory of God and the good of others. But "The Art of Age" is greater than a theology. It is theology applied to life, relevantly, creatively, and accurately. Readers find woven throughout every section of the book vignettes, stories, and narratives that will ring true--both for the ageing (and, frankly, that's most of us!But seeing that already mentioned, "The Art of Aging" is equally an encyclopedic reference for the "sandwich generation" struggling to look after adolescent children and aging parents." In these true to life chronicles, Eyrich and Dabler insightfully engage the hearts of their visitors. To read "The Art of Aging" is to browse one wise sage speaking truth into the lifestyle of another. It is to find peace in today's and hope for the (eternal) future. Eyrich and Dabler mine the wealthy reserve of Scripture to develop a powerful and practical biblical theology of ageing. It is to sit by the fireplace and comfortably contemplate this is of lifestyle, the dignity of aging, and the goodness of God.) and for individuals who live with "senior saints.
