## The Autism Transition Guide: Planning the Journey from School to Adult Life (Topics in Autism)

[continue reading](#)

The authors of The Autism Transition Guide know how overwhelming it can be for parents of students on the autism spectrum to think about exactly what will happen when their child graduates from senior high school and leaves the familiar supports of special education behind.) When your child no more qualifies for IDEA assistance The Transition Portfolio Planning Tool, an in depth template, is made to help put programs into action and keep everyone moving forward. The following are essential areas they recommend parents to arrange for: Residential options Postsecondary education Employment Recreation and leisure actions Additional factors include: Who ought to be on the changeover team Getting changeover goals into the IEP Analyzing and assessing your child's skills Involving your child in the process Sequence of adjustments (e. Bruey and Urban believe beginning at age group 12 to 14 is even better because goals will be met. Federal laws requires that a transition plan maintain place by enough time a child reaches age 16;g. No matter what the particular destination could be for your child or student, this guide can help make sure she or he reaches it. That is why Bruey and Urban wrote this practical guide to transition planning--a road map for family members, educators, counselors, and transition specialists to navigating this essential, sometimes tricky journey from high school to adult life. Use this form to monitor what needs to be done to reach transition goals in a number of areas, including employment, education, and communication, cultural, and daily living skills. The Autism Transition Guidebook is a must-have source for families and specialists, providing ideas and strategies that can be used to a broad selection of individuals on the autism spectrum--from the college-bound college student to the pupil who requires 24-hour supervision to succeed., should he get yourself a job before shifting out of our home?
