AA Big Reserve opposition is ridiculous! First, I would like to thank counselorchick, Kevin Johnson, bankee and any kind of others who possess obvious resentments towards AA. Tremendously insightful I'm not an alcoholic, but a good friend of mine suggested that we read this to gain a better understanding of "what she's all about. My sweet daddy experienced alcoholism and passed away unrecovered. Individuals who follow the program and commit to it eventually become happy, joyous and free of charge.e. I love the 4th edition. I am not saying that I totally believe in the entire philosophy but most of it provides merit. I think it is appalling and disgraceful for anyone at fault AA for hurting more folks than they've helped! There's just one person to be blamed for the behaviors we exuded. Are you f*****g kidding me? Look into the mirror for the guilty party. I know you get audio chapters on Amazon (I believe it is the 1st Edition). I'm sure there are other programs that successfully help those with the disease of addiction. AA isn't for everyone. We've been sober almost six months. Buy the actual official Big Book Buy the actual book from AAWS. Your portrayal of the "program" is usually flawed and inaccurate to state the least. There were 100's of a large number of folks who are now content, joyous, free and living a life free of anger, major depression, sadness and fear. The book that's the true back bone of addiction recovery. I think it is supposed to make it appear to be the person is carrying around a calendar This small version means that I could keep several copies in my own car and, if I'm working with a newcomer, I could give it to them immediately--no excuses not to read the book and start carrying it out! The initial half of the publication is how it operates in AA the next half is normally all inspirational stories that truly do motivate you to live a better free of addiction life. Often initially when I 1st considered I would have an addiction issue I browse the stories in the back of the book . I came across every story I browse was about me in some way . I think it really is likely to make it look like the person is transporting around a calendar, but what goes on in 2019? Because of this book I am right now free of my alcohol addiction and beginning to piece my entire life back together . Any time Personally i think weak or require a bit of motivation I open the publication and read for a while . This book may be the back bone to AA and 12 step programs it will save your life if you are honest and willing . It's said you need to hit rock bottom level before you can make the journey to recovery but maybe in the event that you read this publication you will discover a method that you can avoid the horror of the rock bottom experience. Good luck for you may you discover the peace and serenity you therefore deserve in lifestyle give this publication a shot and you will find a new life-style . It is a program developed in the 1930's and offers been the most effective treatment for his or her members." I'm truly glad I did. Not only did it deliver on her behalf claim in spades, nonetheless it offered me with one hell of a perspective on everything she therefore many others have dealt with, and precisely how vital an organization like Alcoholics Anonymous can be.. I actually've been sober almost six months. Thank god for . Meet my expectations Was what I needed Beautifully used - perfect tradition Came fast.. Additionally it is never AA's fault when somebody relapses. Thank god for AA and various other such programs. Concerning this book- it explains everything. Wondrous book Written a long time ago and still relevant for today's alcoholic. Very useful and motivating. 50 for genuine directly from the publisher and keep the investment property on the book inside our self-supporting system. You at least will know you aren't alone. Don't get the Kindle edition if you need to make reference to page numbers. It is a fellowship of men and women who have the same desire to remain sober. Growing up in that, I had a lot of resentment and unresolved pain. This book demonstrated me that my father was unwell, and it helped me find that even though I really do not beverage- I was effected by alcoholism. I cannot recommend this

enough! It creates more sense to me right now, and it provides helped me on my recovery journey. Since I do not have this allergy/disease, I didn't understand it. The negativity in these posts really proves how restless, irritable and discontent you are. Those who are cursed with this disease cannot drink in moderation. I really believe it is worth buying even if you can hear it for free. Rating is for Kindle version-Don't obtain the Kindle version if you need to make reference to page numbers. My sweet daddy suffered from alcoholism and died unrecovered I'm so grateful for this book. Cryptic "locations" (see pic) will not help in order to use the "Big Book" for any serious function or study. IMHO contemporary medicine will never be able to come near this free and ubiquitous prescription for coping with ALL addictions (in MY lifetime at least). \$9. There are plenty of free or online versions available that are paginated. First half discusses how AA came to be and last fifty percent shares inspirational stories of other addicts and alcoholics who have worked the program and today lead sober lifestyles. I felt the publication was telling my tale and many instances I was struck by the economy and perfection of the prose. i. The program has evolved over time to what it is today. Special Edition which is NOT stated here.' For me this is very much an inspired novel that speaks directly to the alcoholic and will be offering a proven approach to recovery and life seemingly beyond the reach of the dynamic alcoholic....Essential information for the struggling alcoholics searching for recovery. Simply put this book will save your existence and inspire you to find a path free from addiction . The only real downside is normally that it gets the year printed on the side of the book. That seems weird to me. It's a great reserve to have. I really like reading things that provide me with that level of insight. Following a few reads I understood it was time to confront my addiction issues . It's just sort of odd, but I am still really grateful an inexpensive paper edition of the 1st 164 exists! We have been still there at every conference, trying to help the next ill and suffering person. As far as the real content will go, who am I to argue with the cornerstone manuscript for a fellowship that has proven to help millions world-wide.For anybody out there struggling with addiction, even if you aren't prepared to seek help, browse this book. Special Edition that is NOT stated right here. 'a eyesight for you. The page numbers usually do not match so if you're seriously interested in studying the Big Reserve comparing with previous editions you may be unhappy. I was in a meeting and I was struggling to follow along reading in this duplicate because the pages as in 1-4th editions do not match this "special" edition. Not the official AA version This is a disappointing purchase. I purchased it to be a section of a phone 12-step study group and the web pages are not the same because they are in the AA version of the book. Helps it be nearly impossible to check out along. Gives to a charitable organization and buy the state publication, Alcoholics Anonymous. A wasted purchase!. Beautifully used. Therefore grateful. Good book. Good book. Came in good shape. Great book to have I had a hard copy and it had been stolen.. Good price Purchased for my girl good price
