Very useful book!!! Lost 25 lb. This type of change takes a significant dedication but is really worth it. The results on my wellness are phenomenal. Arthritis gone! High blood circulation pressure gone! Sense great even though, according to my diagnosis, I should be very near death. We bought this in my search for a homeopathic tumor cure. without trying. I have gone from a typical American diet, junk food and all, to a mainly vegetarian diet with the flax seed and cottage cheese one time per day. It is great to learn !Great, informative book!
