This book provided a thorough, but very understandable overview ... This book provided a thorough, but very understandable overview of the life span coaching profession. Received quickly and in superb condition. Inspiring, Instructive beautiful artwork I pre-ordered this reserve and couldn't wait for it to be delivered! Good first book Had to buy this to go with a training. This is one of the finest instructional books I've ever delved into. Advice on the business areas of establishing a practice. A fantastic resource for just about any budding or experienced existence coach. Many times I have read similar functions that speak and then theories rather than the nuts and bolts of how to get started the actual function. I was totally impressed with her Gorgeous Faces book and even more blown aside by this one! I'd heartily recommend this publication to anyone that works together with others in a counseling or coaching mode. Excellent coaching techniques I've read a few coaching books but none so detailed and organized as that one. Coach Curly can be a genius. Gave good tips as well. It also contains here is how to start out your own training business. There are numerous valuable techniques to pick from as well. Vital billion dollar details is divided into bite sized and easy to understand pieces. Great studying it and being attentive to how I want to proceed. Great resource Very Helpful That is an informative easy read that helps you identify your clients personality and how to react to them. VERY USEFUL informative Very informative. Offers a lot of different ideas and suggestions. I'd consider this a beginners existence coaching handbook nevertheless, but there are a lot of different suggestions in it one can implement. AN ESSENTIAL Resource for your daily life Coaching Toolbox This book is very informative and provides practical tips that you can start using immediately. Her drawings alone are inspiring and she also offers tutorials to go with her books so you can watch her draw and color her sketches. Martin has a simple, yet effective method of sharing her concepts and experiences. Life Coaching Handbook Excellent for just about any therapist or hypnotherapist. Superb resource book. It provided both a practical and theoretical bottom for understanding life training. Have been using techniques with client. It was an easy examine. The author has created an application that techniques chapter to chapter, from starting techniques to more complex techniques. I was more than impressed with this book! I felt this was a crucial base of information, as I start my own life training business. It didn't disappoint! She also shows a power and shall I state, a backbone within her tone of instruction. The way she breaks items down and simplifies them makes it so easy to understand. Jane can be an inspiring and caring teacher who makes you believe in your capability to draw and encourages you to do it. It addresses useful information on the principles of NLP. Seriously, the images by itself are worth the cost of these books. Inspiring as well as informative. Great information Nicely written This book is the Life zoo Great 'textbook' forever coaches. Plenty of practical advice. There is lots of reliance on some methods that are not supported by research, therefore i took it all with a grain of salt. Ms. Life Coaching Handbook - Essential need for anyone who is doing life coaching Very informational and helpful when reading even more about life coaching. If followed in order, the potential trainer with study from start to end how to begin a coaching program, what to say, how exactly to organize the program correctly, how exactly to communicate successfully with the client and motivate them to boost their lives. Five Stars A must have! Three Stars Useful Five Stars Love it - nice information
