## 1940s Hairstyles (Vintage Living)

[continue reading](#)

Fun details and trivia related to the hairstyles of that time period are included, as is definitely a glance at wartime locks and regulations as a result of the government. A huge selection of vintage illustrations, photographs, and diagrams accompany detailed instructions and techniques for replicating the styles of the decade. Expanded and back print, this well-known resource to recreating genuine period hairstyles covers from short hairdos popular in the first 1940s to the cut-to-fit look made popular by Christian Dior in the past due 1940s. Comprehensive lists of the wonder tools needed to produce these hairdos, where you can purchase the various hard-to-find items discussed, and hairstyles based on hair duration and type are included for those thinking about revisiting the time beauty of the 1940s.
