The advice is sensible and an easy task to implement This tiny little book can bring big results. Simple, basic tools to improve your natural splendor without spending a fortune or mortgaging your home! It cuts through all the theory and reaches the actionable methods and "how tos". Five Stars I love this book Itty Bitty Awesome !!! Bunny only gets the actual tips. Plenty of helpful tips!We look forward to putting her recommendations into practice.3 Five Stars Obviously and concisely written, Dr. Bunny provides basics every lady needs to know! Great Book! I LOVED this book, It was a quick read with super easy suggestions on how to appearance and present yourself best. Thanks Dr. Bought a few for friends as well < Bunny! She is a shining example of a woman who is definitely her own beacon of brilliance. Ever read a publication that is 300 webpages, but could have actually been written in about 60? Many books are filled up with stories and additional filler, whereas this Itty Bitty How exactly to Be a Woman Publication by Dr. Great little book! It is the ripe fruit without all the filler. Old methods that work. Enjoy! Big On Beauty Well, I'm composing this review on my husband's accounts but I could attest that I am quite definitely a woman and cherished this Itty Bitty Book full of Really Big Tips! Dr. I discovered a bunch! I have to say the most helpful hints had been about Attitude and Happiness. This was information so important that I intend to use it when counseling men and women on picture from the inside out. It's gratifying to read a book on Image that goes that deep. I could honestly say this Itty Bitty reserve can be Big on Beauty! The author obviously knows her method around the times of year, Body Types and so many more professional areas that this seasoned Fashionista was astounded. Bunny Walks Her Chat! Dr. As I look back on the times that I have spent with her, she has been impeccably well put together and also very comfortable in her own epidermis. Bunny certainly walks her chat! Bunny reaches the point! Whether she is interviewing a guest on her radio display, or enjoying conversation and a lovely food, she imparts her very own make of wisdom. The information is practical and easy to implement. She gets right to the idea and covers much surface. Now I need to dive right into a Spring washing project in my closet!Timeless strategies for all women Excellent, down-to-earth tips that any woman can use. This Itty Bitty reserve is no exception. Short read, longterm benefits! It has everything you should know. young to mature ladies. I would recommend this reserve for all women... I would recommend this book for all women..... and will probably realize during your womanhood, but written in concise and common sense language. Such valuable information in such an Itty Bitty book. Feel amazing...look amazing!We felt as though Bunny was talking directly to me! Dr.
