As typical, I was truly transferred and astounded by so many of these stories. Inspirational Tales To Warm the Heart and Soul Another great Poultry Soup book. But I experienced to take a star off because of the stories that didn't have the punch that I've learned to expect--the stories that move me to tears or really amaze me with their wisdom and beauty. That they had to obtain additional education and training. Incidentally, I know that some individuals can be switched off by stories about individuals who leave perfectly great jobs to locate a more peaceful living. this one is exceptional.
