If you love quotes these are great and with beautiful backgrounds I was given this book as something special when I then found out We had Cancer. Since I have got it repeatedly for others going thru a tough time. Fantastic book! I'm on my 6th. I ran across it in the waiting area of a spa.. As I was flipping through a few pages, I was impressed by the beautiful design (I'm a graphic developer, so I can't make it), photography, and content material. I have pulled this publication out many times since then whenever I need a boost of motivation, pick and choose me up, or need a couple quiet occasions to recharge my batteries. I purchased it the moment I arrived home. It's a lovely coffee table publication to have on hand. What a beautiful gift for yourself or another person What a beautiful gift for yourself or another person. This book emerged in the mail today and I immediately fell deeply in love with it. This is an amazing book of inspirational quotes for anyone who is going . The affirmations are brilliant and they are placed on huge webpages with gorgeous art work. It is extremely self-affirming. I intend to review it daily in the am when I really do my other affirmations, etc It is a GREAT book! Buy this book! Wonderful book. Which book is meant to be brand new. Simple but profound. It is much bigger than I believed it might be.. I was having a spa day time to relax as I was going to leave my current job and begin a new one. This is a perfectly wonderful book, a great lift from reading it. If you value quotes these are ideal and with beautiful backgrounds. Buy this as a gift for anyone ... Wonderful book! Buy this as something special for anyone who requirements encouragement or just a little positivity in their life. Buy one for yourself, too. Beautiful artwork and inspirational text messages. Hope in a publication. This is an amazing book of inspirational quotes if you are going through tough times or who has come through one of life's challenges. A good gift for someone fighting difficulties in life, that is just how life is... I really like this book I love this book. Great gift for yourself or others I came across this in a store at a beach and then looked for this on Amazon. Because of this, I provide it 5 stars.I did so however only rate it 2 stars because some of the web pages are dirty. I'll reread many times for encouragement. Buy extra to give away. For just a few dollars greater than a greeting card, you really can't defeat this as a thoughtful little gift. Five Stars Nice publication of encouragement. Five Stars Love it Five Stars Love this book! Beautiful messages and artwork Love this book. I love this book a lot more than I thought I would I really like this book a lot more than We thought I would. It's an excellent coffee table reserve and incredibly inspirational. Once I got the chance to read through the whole lot I felt influenced. Something you can come back to easily when you need to be inspired Five Stars Gave a duplicate as something special for a pal battling cancers and it had been very well received!
