Not real happy Very traditional. I use these drawings for other uses, i.e.also look at some of yours small printer just black and white unwell don't have to be a colorful. It wasn't worth 9.. nothing like a flash book It was OK to be honest I believe the first one was better that one includes a few funny signals in it and some looks like cartoon clips I don't know not really flash like the first one so I am a little bit disappointed though it just my opinion Not Recomend This is a waste of Cash. With a name like that it should be a book of all books, nonetheless it failed.....May 10th he'll be 40year-old didn't ask even so,but he's wife,had already bought it wrapped in couple weeks ago,but didn't ask or show me about it. I recommend u embark on a search engine to find art like this free of charge. After I got the first book they put out I bought this at the same time merely to see if it had been some what better nonetheless it was the same.. I wouldn't buy this reserve but instead picture search your styles and ideas....I purchased the first one simply because a inspirational tool but lost everything when I viewed that which was inside, Paid for the 3rd one in hopes of getting it back also to provide these books another chance but disappointment was almost all I found.99 for the kindle. Three Stars Top quality and selection.Trigger you'll know that I ordered a lot more than I should be... He is happy with it and he's been doing ink for decades so it's hard to impress him any longer. I love it.I would take a gift certificate. He said it came quick and the publication is of high quality.and in conclusion The icing on the cake, 3 concludes, as far as I know, this series. This publication did. Awesome Book Bought this for my boy who all loves it he offers 1 and 2 also and he said each one got better he loves to draw and do tats which book was ideal for that talent thank you.Expected adult stress out coloring books for you'll.Nancy Marlow Loved the book,I thought it was good,thought that it.Could have been more of a coloring reserve more of a similar thing I'd be ordering,I simply got used to coloring on the dark and gray tattoo artist,My big surprise was for my son birthday about..He likes dragons to color and Read about so later again.Bt I well serve.On my next orders. tb3 Bought this for a friend and had it mailed to him.My issue is that I've no prenter so,if you could help me from it. . great selection Awsome, great selection One Star Very disappointed in this item wasn't what I anticipated in a tattoo book what a wast of money So got before myself and didn't ask just before I bought ,so know am paying for it. Leather work. One Star Horrible Five Stars Nice book Five Stars Good
