.At 3:55 pm I believed there was a heaven At 4:15 pm I knew.. This is the story of one man's battle to be alive once again after a major accident claims the life of his friend and nearly his very own. In the weeks that stick to, he struggles to get purpose and meaning in the day to day of life. After spending a few moments on Heaven's front side porch with God, he is thrust back to his old existence. In his quest, he uncovers five principles essential to move him from simply living again to being completely alive!" Sally McGhee CEO McGhee Productivity Solutions  
Bestselling author of Take Back Your Life "When there is one self-improvement and motivational book you read this season this is the one! It reminded me once again of the power of vision and letting go. Once I began reading I could not put it down. "An excellent story that reminds all of us of simple keys to living a fulfilling directed life in service to others. Danny Bader offers written a full page turner of a reserve that is powerful, heartfelt and could just change how you think about lifestyle. Go over your shoulder Robin Sharma, Wayne Dyer and Deepak Chopra you will have Danny Bader galloping up behind you!" Shawn Doyle, CSP Loudspeaker trainer and author of Jumpstart Your Motivation

Feel Hopeless? Grief-Stricken? Shed? Back again From Heaven's Front Porch is usually a truly inspiring story of self determination by being open to taking a path less traveled, for self preservation and healing. Danny has switched his own real-life experience of a workplace incident that killed his best friend— and almost claimed his own life—into an inspiring tale detailing a wonderful lifestyle “roadmap” on how to grab the pieces and commence to place one foot in front of the other when all seems hopeless. When the workplace accident happened, Danny experienced Heaven and was at what he calls its “front porch” before his soul came back to his body and was remaining to try to go on with life and try to make sense of it all. He writes the tale with himself as the main character Jake, and other people based on real life associations to describe the seemingly impossible task of moving on with life after such an extraordinary experience. This is one of them. Very well-written and right from the center of someone who’s been to Heaven and back again and really wants to help others learn from his incredible experience. Check out his YouTube channel and website as well and you’ll find— as I have— Danny comes with an unbelievably kind heart and soul that shines a peaceful light for all those folks in the grips of grief. Back From Heaven's Front side Porch..Read, Reflect, Respond Danny Bader's Back again From Heaven's Front side Porch will captivate you when you are lead through the personal journey of the primary character "Jake."Honestly, I find the book, as I have known Danny since senior high school. For inspiration and gaining a fresh perspective, READ THIS BOOK I had hoped to find some motivation in this book. family members, friends, popularity, however he was down to earth. Jake's journey from what he regarded a placid life, to the loss of his friend, questioning romance, the despair which resulted in the chance of suicide, relying on alcohol and lastly, a vision of hope, which Jake keeps onto, leading him to issue life's mysteries. That in and of itself makes the publication an interesting read. Danny offers such a personable method of composing and drawing you into not merely the characters in the book however the true purpose behind the story. this would become one adult novel I'd delve through and create my very own opinions.We was reminded of the experience We had reading books that greatly impacted me earlier in my own life. Dan's reserve pulled me in to the stage where I literally lost sleep to be able to finish Back From Heaven's Entrance Porch. Danny Bader's description of dying and coming back to life ALONE makes this reserve worth reading. I acquired heard part of Dan's experiences years back. Through it, Jake cannot escape his visit to Heaven's Front Porch, enabling Jake to open up himself up to fresh experiences and the possibility of a fulfilling potential."You won't regret reading this reserve! I woke up this morning at 4:45, which is my customary through the week wake up for your day, because I could not place the book down. Dan's Jackrabbit (jckrbbt) Principles are an easy task to follow, and will inspire the reader to create positive adjustments in his/her life. An Annual Read I really believe the reviews prior to mine have done an excellent job at describing the entire experience of Back From Heaven's Front Porch as a rich, captivating, and extraordinary novel.But Danny Bader's true skill lies not in his ability to write an excellent book, however in his expertise to create in such a way that the reader becomes thus invested in the book's overall message at an early stage. The author did a fantastic job bringing the 5 principles to the real world and made them identifiable. Back again From Heaven's Front Porch can be an inspiring read for anyone looking to make a change in their lives or simply seeking a problem to further better themselves. With my duplicate near my table, pencil markings and post-it notes galore, I find myself revisiting certain passages following a long day time to maintain myself motivated and excited.Back From Heaven's Front Porch will always be an annual browse for me personally.. The descriptive language allows the reader to very easily vision the events taking place in the book. Thank you, Danny Bader to be a inspiration and

sharing your tale! I had not been disappointed. Books like Dan Millman's "The Way of the Peaceful Warrior" and Carlos Castaneda's "Don Juan" Series. I recommend this book as a great reminder for those which are already on the road and as an excellent guidebook to those simply beginning. The book moves along well and provides the reader on a trip with Jake as he goes through a self-discovery and development process. To estimate, Brendan: a vision with out a task is but a wish. My curiosity enticed me to learn the book to observe how he turned his own experiences right into a fictional novel. This was a very good reading experience This was an excellent reading experience, taking a unique life experience and showing how it can and should impact the rest of your life. It was probably more meaningful if you ask me because I understand Danny personally and know this publication was based on something that in fact happened. Danny includes a present for keeping the dialog moving and keeping you interested all the way through. There's something for everyone here! With some focus and work, I am seeking to take back control of my entire life for this reason book. Whenever a person loses hope and turns to alcohol and drugs, life only gets worse. Thank heavens for angels and astute people who want to help you..Scripture does claim that "my people perish from insufficient vision. so do we all.) through the tale of his business lead character. If you're searching for a SOULFUL examine, this is absolutely THE one. A eyesight and a task is the hope of the world. If you find yourself looking for a "new direction," Danny Bader's Back From Heaven's Front Porch is the book for you. Hooked COMPLETELY I had the satisfaction of meeting Danny, earlier this week as he facilitated a workshop for my company. I purchased the audio version of the publication the next morning hours knowing I had 5 hour drive before me. As soon as, I heard his voice, I was automatically hooked on Jake's tale and his helping cast of friends. This book definitely struck a chord with me and provides me reevaluating a lot of things in my life, ALL FOR THE NICE. The concepts which Danny speaks of are therefore basic but sometimes therefore quickly forgotten because we have been caught up living life. A Training Method to end up being All That God Wants You to Be! Danny Bader is among the coolest people I understand, so naturally I acquired his book. Inspiring and life-changing Danny's book found me by suggestion of my company, and honestly I possibly could not have imagined just how great a go through I would find it to be! As an elementary instructor and librarian, I opportunity to learn many juvenile novels recommended by others; As you read about Jake's tale of tragedy and personal struggles you discover yourself connecting with him which appears to naturally lead to personal reflection of what your location is in your own existence. Which then results in discovering and implementing the concepts he writes about this changed Jake's lifestyle. I came across Heaven's Porch inspirational and uplifting and following Jckrbbt principles has business lead me to begin my own journey, to find my very own voice, my internal peace and more fulfilment every day.. Searching for any lost messages I might have missed the very first time, I look forward to rereading Danny's enthralling tale following year.... Achieving Danny and reading his books offers began me on a route that I'd not otherwise could have selected because I was trapped. I could only say a support system got Dan to somebody who was able to help him with the Jack Rabbit concepts..thank you Danny! Danny always appeared to own it all; It didn't disappoint! The author relays occasions with great detail that allows the reader to visualize the story and produces an interesting read. Just how he relates his own private experience of almost-electrocution (I learned in the book that if you are electrocuted by definition it means you DIDN'T come back from the dead! I suggest this reserve for all who could use a confident perspective - therefore anyone and everyone! Intriguing, Inspirational and Inviting I finished "Back From Heaven's Entrance Porch" today. I find myself searching back into my well-marked book for reflections and inspirational lines from the reserve.

I read for approximately an hour yesterday evening from 11:30 to 12:30 because I couldn't sleep after attempting to fall sleep around 1030 when I completed my nightly reading.. I anticipate practicing the "jckrbt" concepts in my own life and using a few of the quotes to create deeper than the surface conversation with my seventh quality students. I'm thinking about starting "I Met Jesus for Miller Lite" this weekend. If you're searching for a great examine, that is one. A task with out a vision is drudgery. If you are feeling "Stuck" you must read this book! There are times in life when we cross paths with others or are introduced to situations at the very best time! What he details in this book is normally his philosophy on how to commence to put the pieces back together and lead a more fulfilling and meaningful life. I got the honor of attending a leadership meeting where Danny shared his personal life changing experience initial had, in addition to some amazing lessons with it. If so, do yourself a favor and pick-up this publication by Danny Bader. If you've been or are going through any type of difficult time or are just "stuck" in life, I recommend this inspirational and motivational story.. Danny Bader's writing and messages are fabulous and inviting. Highly recommend this book! Thank you Danny Bader for turning to writing! Inspirational This story and the principles are perfect. Moments after finishing, I was compelled to create out a small number of short-term goals permitting myself to "develop a vision" while planning out what it was going to consider for that eyesight to "become reality".right now I am in a journey, a confident one. Inspiring An inspirational book that provides an excellent story line and a fantastic message for finding your way through a disciplined approach. Reads easy and fast!
