Okay but could possibly be better with some phrase smithing. Way to wordy and with only 1 thought. Five Stars Really enjoyed this book.. my way or no way... Spot on Great advice for the wife who's spouse ujust retired. Great laughs at the party when given to the wife.. Great for a retirement party especially when it is the husband retiring.. Extremely personable.. I'm happy I don't require it. Great for a pension party especially when it is the . Good advice. It could save the marriage. Just what a great reserve. I did some actually fast reading and recognized what a wealth of information. Five Stars Good... Kind of expected that with this publication. But alright for general information.bahahahahahaha Great book! A great read!!! was something special for 2 different [people and they loved it!! It shows two sides of the story and allows you to step back and watch the extire circumstance a whole new way. very helpful Bought this reserve for my sister, who's husband is about to retire. Enjoyed it. good, sound advice. Liked it.. Funny and informative. . She likes it..! It was something special for 2 different [people and they loved it!
