The Divine Mystic is revealed within the pages of the powerful book of poetry and ancient teachings I have The Moon Reminded Me personally at my desk and home to remind me simply because what is important as I begin my day. The words leap off the page, open my center, and dive right into my soul to provide moments of deep peace, some occasional humor, and a deeper yearning for more. It's a terrific way to start and end my day "The Moon" sparkles with enlightened wisdom, both simple and profound. Her like, insight and soul wisdom is certainly revealed as the Divine Mystic that she actually is. I invite you to open your heart and allow Divine be revealed to you as you browse and contemplate the many poems and ancient teachings. Award winning poetry very well earned I absolutely love this publication of poetry. Because of this, I love this publication with all my center!. I bought one at a bookstore and appreciated it so much I ordered 5 even more from Amazon for presents. The Moon Reminded Me inspires my heart and challenges my brain to reach for the deepest connection to the One within. Yogacharya O'Brian's poetry touches my heart and network marketing leads me back again to remembrance of who We am at the core of my being. I have considered The Moon Reminded Me already often to find an image to share with others that invokes an understanding or feeling that goes beyond the informal expressions of regular speech. It touched me deeply to start to see the vulnerability of her sharing her deepest love for God among others. The images painted by her poetry embody and inspire a rely upon the Oneness of most Beings. Her terms have inspired both laughter and tears. I would recommend it very highly for both personal inspiration and as a reference for posting with others. Heart Opening Poetry This book is precious to me. It speaks to the heart of mysticism and spiritual practice, while at the same time honoring the sacred atlanta divorce attorneys day. I am often moved to tears even after heading back to this publication again and again.thank you meant for creating this daily treasure of remembrance! That center opening gives the Light a chance to enter. This publication broke my heart open up. I purchased the kindle version and the paperback- there are hardly any books where I've both! Ellen a gifted poet has been writing for a long time and each new book is more beautiful compared to the last. Amazing poems.Supriya Ellen a gifted poet offers been composing for a very long time and each new book is more beautiful compared to the last The beauty and depth of Ellen Grace O'Brian's book will need your breath away.... The spiritual ecstasy a few of the poems provide makes me read these poems over and over. The explanation for some of the spiritual terms used from Hindu and Sufi traditions makes it simple to follow while also learning the concepts from the yoga exercise traditions accompanied by the particular cultures in their most authentic form. Portable Inspiration! I own an analog copy of this book, but now I can carry it with me about my phone and iPad! This book provides inspiration cover to cover. The spiritual ecstasy a few of the poems . A testament to the beautiful work. I have

personally benefited from her wisdom for a long time. She offers us pearls of wisdom on how best to live our everyday lifestyle through these teachings.. The Moon Reminded Me is one of my favorite poetry books The Moon Reminded Me personally is one of the best poetry books. I have it on my nightstand and every morning after my meditation, I open the book to a random page. Again and again, whichever poem I property on points me in the proper direction and reminds me that I AM. The poems are deep and soul touching. this new publication, The Moon Reminded Me, is actually a treasure. A Beautiful Invitation Offered in this Exquisite Book The sweet invitation to sit and invite the words to transport me within to my very own remembering. A precious present. You can easily personally relate to them with a heartfelt and frequently humorous connection. Amazing poems...Thank you!. This book provides inspiration cover to cover What an incredible find! Tender This beautiful book of poems by Ellen Grace O'Brian feels as though a soft kiss to the soul . What an incredible find! It's a great way to start and end my time. Sometimes our human experience is so beautiful it gets the capacity to break our heart open. A genuine treasure---poetry that speaks to the heart I've browse and savored various other poetry books by Ellen Grace O'Brian; I picked mine up at the bookstore and on the point of order several as gifts. Yogacharya Ellen Grace O'Brian includes a gorgeous and profound way to weave her poetry and Vedic teachings in a straightforward however deep spiritual level that uplifts and reminds us that the Divine is within and around us in each and every instant when we take a moment to pause and keep in mind.
