Great for my mom! Bought for my 89 year old mom, and she really enjoys it. Perfect I bought this for my mother who has Alzheimers. It's simple enough to hold her attention but not so basic it's boring. Four Stars Love it! This leads to lots of frustration. The pictures have degrees of difficulty for your choice of coloring. Me or my sister will most likely have to color with mom but we don't mind encouraging her to possess a little fun. I bought myself books to color in aswell. Five Stars Got me points with my mother in legislation. This coloring publication is good for anyone who would like to keep their brain more vigorous with simple actions such as coloring. Fun For Everyone I read another review on someone who bought this for her mom who has Alzheimer's, I purchased for the same reason. Five Stars gramma loves it Complex Designs Designs in this publication are more complex than a senior who has memory loss can do.
