Funny and informative I really enjoyed scanning this publication! Scarlett has were able to tackle our wardrobe woes with honesty and humor. Bring this book into your closet and with you the next time you move clothes shopping - you'll be so glad you did! I found myself laughing aloud while reading her publication, especially the Scarlett "Johannsen" chapter! My only regret is definitely that it didn't contain much more chapters and even more concepts for looking great. Stress no more! Funny, insightful and packed with great information! Quick, Witty, and Info-Packed! I'm a protege of Scarlett's and discover her suggestions and explanations invaluable in this slender volume. Most of her guidelines are really helpful and they really work. I'm a huge Scarlett DeBease enthusiast! Go order yours today! This publication is simple to pick up, available to any web page and just dive in. "That is why I should wear more ruffles!" is certainly one little reminder of why particular textures, shades and necklines flatter some and not others. Scarlett is normally a genius in this arena and generously shares her style secrets with us mere mortals. I highly recommend End Stressing About Dressing to all women, particularly those of us over 50. This book is indeed informative I've recommend it to numerous of my friends This book is indeed informative I've recommend it to many of my friends.. That is a book that each woman should have following to her closet. I've loved reading Scarlett's blogs so when We heard she had written a book, We had to get it. I went right to my closet and found that lots of my tops look alike--same style, and even the same colors. So I actually need another? (This made my hubby happy too.) The chapter about shoes can be enlightening. It's an easy, informative, fun read. This is a book it is possible to come back to again and again. It's a classic must-read! Demystifying fashion I'm passing this book onto my sister. Being truly a guy I was surprised at how much of the advice was actually beneficial to me. Cute shoes need not be high heels. Great Tips in readable format. Filled up with simple little tricks and guidelines to make any shopping trip quickly manageable by honing in on only what will work rather than trying on mounds of potential discards. I know of all the GREAT TIPS Scarlett provides in her publication from her internet site and from obtaining her emails for days gone by 2 years. Still, I will have it on my kindle in a single readable reference spot. If you're unfamiliar with Scarlett then get the book. Helpful suggestions from page one!.. Great Stuff! While I consider myself a reasonably smart dresser, there were some gems in there that I was unacquainted with.If women want to avoid many of the wardrobe traps that keep us from looking and feeling their finest, then this easy-to-read reserve is for you. She has some wonderful tips for shopping and her book is the ideal size to toss in your handbag and take along to remind you not to stress while you dress. I know she has more ideas up her rolled sleeves (among her great tips!) and I cannot await her next book to turn out. On every web page, Scarlett shows her talent for styling women so they appear and feel their best. This is a wonderful, quick, witty, and informative book for just about any woman who is not really a super model, but really wants to appear good wearing her own clothes. Although there is lots of great advice here, there is nothing new. I came across myself laughing out loud through it. Right now we are able to pre-edit selections to try on and and are enjoying successful, stress free shopping trips. I loved this book I loved this book!! Her publication outlines insightful and purposeful methods to achieve a great wardrobe and design all with humor and a big . And, easy to use tips, not really aimed at only women with ideal figures or females with huge budgets for clothes. It's a book for real women. Awesome! I've had the privilege of having Scarlett De Bease organize my closet and draw looks together that We never knew I had! An insightful and funny read This book is filled up with so many tips! I bought a second copy of this to give my daughter who considers clothes buying depressing. While I consider myself a fairly smart dresser, there have been some

gems in there that . Totally liked this reserve. I've already had 3 friends buy it, and it'll make an excellent Holiday present as well.. Her book outlines insightful and purposeful methods to achieve an excellent wardrobe and style all with humor and a big truth check. To know that you should be cautious what texture to select based on your skin layer complexion was an aha moment for me, along with many more. You can find chapters on almost everything regarding fashion. Helpful Tips and Fun to learn I picked up plenty of tips on being better with my clothes selection and purchasing. Each chapter is in fact fun to read - in addition to being loaded with good sense tips. She even shares an ideal packing list for travel that is very handy. I'm pushing my sleeves up daily :-)) I keep carefully the book close by when looking through catalogs to remind me what things to look for and what things to pass over. I also appreciate her sensible cost saving approach to dressing. Many thanks, Scarlett. Push up your sleeves - who knew? I particularly liked the one about stepping from the rack once you fall in love with articles of clothing. It's an excellent read with great recommendations. I recommend that every woman "End Stressing about Dressing" I will be making some adjustments to make my life easier. I thoroughly loved this quick continue reading how to look and feel great every day.
