Fun, well-planned coloring book! I've halted coloring for two reasons: colored pencils make my hands harm after a while, and it's hard to find a coloring book that has both gorgeous and simple designs. Occasionally other book's designs are so complicated and overwhelming. Additional then that she actually likes the coloring publication. To solve my colored pencil issue, I can finally make use of markers to color because of the blank webpages between every design!!! purchased the Dual Suggestion Brush Marker 36personal computer. Really nice designs! Amazing pictures and web page quality I really like this coloring publication. I love this reserve, and it's extra great to do while hearing her & I'm really excited about this purchase. Ideally other folks won't ruin their webpages. I've watched Kendall for a long period and I was very excited when she arrived with this. The styles are gorgeous and very relaxing. I have already been a lover of Kendall Rae's Youtube channel for some time now, so when I saw that she created a grown-up coloring book, We knew that We had to buy it.. I bought this coloring publication for my girlfriend and it came bent in the mail. Decided to keep it in any case. The markers bled through the test page on the first page. This coloring reserve has blank webpages to avoid bleed through however they forgot to place one before first coloring page! I spent 2 hours coloring in it your day I recieved it in the mail. This book has the perfect designs for me! Awesomee Awesomee coloring book Definitely worth the purchase I got the book yesterday and We'm absolutely in love. I'm so delighted and you will be too!! The color test page and bleed-through safety and really thoughtful of her to include. I also anticipate using my gel pens. her spouse's podcast (Mile Higher). The pages had from crystals, astrology and goddesses to aliens, cactuses, and her cats. I recommend this to anyone wanting a distinctive coloring book ?? There's a lot more ! In addition, it has blank pages in-between the coloring webpages in order to avoid any bleed-through on the paper.! It's a great coloring book! I love the mile higher podcast, and am notified when Kendall articles on youtube :) what I love is there is indeed much more this couple team perform. I can't wait to start coloring. No bleed through at all!? Kendall and Josh I love you guys ! I love Kendall and Josh keep up the great work guys. Great Coloring Book! This coloring book has a lot of great coloring pages and also includes a color testing page!! I would suggest this coloring book for anyone who would like to support Kendall Rae or just wants a nice coloring book to color in (or both!). I love this coloring book!.3 Love Leek through page after so that it doesn't get on your next picture! It includes a really lovely theme, and an excellent variety of different pictures to color. I am so happy with my buy, and I'm also really pleased to support Kendall with my buy of the amazing book. Love it! Thanks a lot Kendall for creating such an excellent coloring book! Great coloring book! set by Tanmit on Amazon to go along with it. Kendall Rae is the best A coloring book from my favorite Youtuber? The webpages are solid and there's blank pages among for any bleed through. What's not to like! Nice coloring publication but. Love it!! Disappointing I thought it could have pages similar to cover. It does not. Some pages very simple. I'm so happy with my coloring book! This coloring book rocks !!! I really like it and I believe that you need to make a second one! It exceeded my objectives, the pictures have become cool and various from any other coloring book I've acquired. It has amazing images and I want to color all of them ! I received the coloring reserve this morning, and I have already done 2 pages.!! We absouletly recommend this coloring publication there is a page therefore the ink doesn't complete to the next picture ! < ?? I love it AMAZING ?? Love this book, you get a large amount of pages for the cost. Super creative designs unlike I've ever seen in an adult coloring book. Certainly reccomend especially if you're familiar with the writer and her YouTube content ? the book is very personal to her interests and life.
