gov. The quizzes were extracted from the PowerPoint presentations also supplied by OSHA for this course. This book is normally a compilation of reading components relevant to each class in the course, including the ones provided by OSHA specifically for the Introduction to OSHA class plus other materials offered in the Publications section at osha.(Last updated on, may 2018) This book contains handouts for the OSHA Outreach Schooling Plan's 10-Hour General Industry course. It includes pamphlets that highlight the key points to be offered by the instructor, as well as the quizzes to be used as knowledge checks during class.
