paper too thin, displays through (pen, marker, etc.. My FIL adores this book!) The idea is lovely, and the prompts are just fine. Awesome card I used this for a fathers day card for my father from his granddaughters and he completely adored it! This made it so we were not even able to give it as something special, it looked so very bad. make the pages thinner so that you can write on both front and back and it would be great. My issue is that the webpages are so thin that you cannot create on one side without it showing to the next. Five Stars Was a great reserve, papa loved it! N/A Great for Father's Time/ birthdays! Cute gift for Grandpa! Great gift Cute gift idea. Adorable book for a youngster to fill out for their Grandfather.
