The Garden of Emuna: A Practical Guide to Life

[continue reading](#)

This practical book gives insights into emuna, gathered from very tales, commentaries, and teachings offered in an quickly readable format. Emuna--faith--is the cornerstone for every Jew, and a deepening of faith opens our eyes to blessings and possibilities we never thought possible. Comparing faith to a garden, this reserve leads the reader in to the lush, fragrant world of true emuna--an existence marked by its beautiful limitlessness and a way of living that is harmonious with God's will.

This book reminds me so much of The Power of .. It'll save you plenty of heartache later on,,, Great Book When my brother explained to learn this book I laughed in his face. This book reminds me so much of The Power of Positive Thinking, but with a Jewish mindset. If you look at the majority of all of the mental illnesses, each of them have one issue in common. For all my Jewish and Messianic close friends this is a must read. A new perspective predicated on (Jewish) Faith One of the most transformative books on faith that you will ever read. If you are down in the dumps and feeling there is no hope, that is a book that can lift you up and help you develop a romantic relationship with God that may help you through the toughest times. Hard to explain but May God constantly watch over Rabbi Shalom Arush so he can continue his teachings. Well-written and enlightening. Easy read! My experience came when i asked one of the merchants setup in the subway of Tel Aviv if he previously any books in English. thanks DK Great picker upper Always puts points into perspective! This reserve explains about your romantic relationship with G-d and spells out success formulas for happiness and it works. Fear. All of my close friends in Jerusalem commented on my reserve when they saw me reading it and explained how much it helped them. Truthfully, it has only helped me too. Shortly after reading it my mom passed away suddenly and minus the understanding that I obtained from reading the book, I don't know where I would be at this time. As a psych main, I've analyzed it and it makes total sense. It helped place some items in perspective that I've struggled with since losing my husband in the San Bernardino terrorist assault. This struck me big time, and I dove into reading it. Fear can be crippling and destructive. I haggled with him about the purchase price, and he quickly caved into my asking price of an equivalent \$10 in shekels, stating, "I'm only selling you this publication at the purchase price because you have no idea what is in it". I came across the book all empowering and reassuring and I would recommend it to anyone and everyone. A Required Reading For Life This was a truly enlightening and motivational masterpiece which explains the significance of experiencing faith in a global full of traumatic and devastating events to which most of us have difficulty understanding - especially why bad things eventually good people and vice-versa. This work ought to be go through by everyone, specifically for those who are seeking the meaning of true faith, power to overcome tremendously unpleasant obstacles, as well as a pre-requisite reading for individuals who are seeking a spiritual return, or apply for conversion, to Torah observant Judaism. Hard to explain how existence changing this publication is...Its essential read for all Life changing!! This book will teach you how to deal with life's changes,, its good and the bad. It really is from a Jewish perspective, but it can apply to anyone. Five Stars Fantastic Book! I am so glad I invested in this book as it has answered many questions I've about myself, and displays me how to life this valuable life that HaShem has blessed me with. Once you think everything is normally god and everything god does is for the best, there there isn't really any room for anxiety to manifest itself because it's not you who is solely responsible for the outcome and the outcome will be great. When I made it about half way thru the publication something beautiful occurred from inside. It has so much good details to digest. There will be no more despair, no more suicides, no more bullying and no more cut-throat tradition if this book was produced mandatory reading. Interesting and inspiring!. C'mon. Yeah right, simply believe and everything turns out ok at the end? But I finally browse it and kept it and had to order another one for him. This publication gives you hope (and peace), and like a friend once said, even if this is all in my own head, at least I've some peace in my own mind...and isn't that what we strive for anyway? Overview of the Garden of Emuna This is a great book. This should be considered a must read in every school in this nation. I am reading it slowly as the first read sort of overloads youand you have to go back and really read it slowly a second time and energy to mentally absorb it better. It really is one I'll keep and go through and readprobably for the rest of my life. This Rabbi has some

very nice insights. It has become part of my collection. He handed me this one, his only publication translated in English. A must read for an improved life. This is Rab Shalom Arush most appreciated book without any help. A must read for just about any folks and anyone who seeks soul ease and comfort and guidance. ?? The book is great and I found that internalizing the lessons helped with anxiety. You will never be depressed again once you read this book. Divine Guidance Okay, THEREFORE I had a lengthy talk with G-d and begged fervently for a existence changing experience before I left in R& Parents, before you buy anything else for your 12+ age group child, give them this book. This book changes your life This book gives simple examples on how best to live, and how to be happy. three years afterwards im still referring to this books teachings and discover myself looking back again to it for motivation.R vacation from Iraq to Israel!! Many thanks it helped me get much more centered!! Life changing book! We, along with a group of 3 others learnt this book once a week over a period around 6 months. My friends and I considered ourselves to become observant and dedicated jews and we also experienced that we had a pretty decent knowledge of emmuna. Not really until we started scanning this publication did we truly come to learn what faith really was.! Five Stars A must for anybody who seeks a true reality check.
