My grandson was so thrilled with the four books he received. Loved it! These books are fantastic for starting chapter books, as she includes historical elements into her fictional character types. Jack and Annie are awesome role versions, adventurous, studious and cautious. We are working on obtaining the whole collection, because once my child outgrows them I can make use of them in my own classroom. Dolphins at Daybreak (Magic Tree Home, No. We found this series because of her first grade instructor a few years back. She loved it!! :) This is A good spot to shop for these books...Would be fine if when ordering from same distributor that they could all end up being sent together in a single package with one delivery fee... I would certainly order more books Gift for Grandson These books were a gift for my 7 year old grandson.! Fun in the ocean!We love Magic Treehouse in our home We love Magic Treehouse in our home! He had three books browse the first day he received them. When he was informing me all about them,you can hear the enthusiasm in his tone of voice when he talked about all the different adventures. I will buy him more of the Magic Tree house book. Anyone that has children or grandchildren this is a fantastic choice of books for them. Love this series Was missing this reserve away of our original container set. BUY! He wants to read.! My grandson loves this series, therefore i just had to get it.. She reads through these like they're nothing and she is 9 yrs . old. 9) This was something special for great granddaughter, she started reading it immediately, hardly laid it down until she had read it completely. She's nearly read the entire series since. They're SO fun and filled with magical creativeness. I was told about these books by close friends at the job that have small kids. the publication arrived quickly and my 7 year previous can't wait to read it! and he loved them. He read ech of this in 2 to 3 3 hours of reading. She can't wait for the next one. I think you call want to learn this We well I did so not read it however but I believe that it is likely to be good Five Stars Good product Five Stars For a charity.! Jack and Annie's adventure around the reef was awesome! He examine ech of the in 2 .. My girl adores Magic Tree Home series. I bought some of this books for my child, and he loved them. My 6 year outdated is hooked! Magic Treehouse book. Five Stars Great series
