Great book! This book informs me everything I would like to know a bout cosmetics and application. I think it can help that the guidance is from the professional and not her parents or aunt, so she'll be more apt to take the information. Her parents and I didn't want her looking just like a clown, therefore i picked this up. Bobbi Brown is indeed honest in this reserve. Five Stars My granddaughter loves it. wish i acquired it when i was younger! But 1st, she shares who she actually is and her basic lifestyle rules. Her best beauty tip is to be happy with who you are. "Nothing looks better than a big smile," says Dark brown. Think these don't change lives? Consider eating healthy and exercising. She then moves on to practical life tips, that is really where beauty begins. Try eating well and shifting the body for 30 moments every day for 7 days. Then don't do that for 7 days. How did the body feel on week 1? On week 2?" She lists some (potentially) gross habits and will be offering a groomed option. Got freckles? Brown looks at skincare and beauty from the within out. Would you like really nice skin without pimples? There is a way to function that (and camouflage the pimples when they do arrive!). Luckily for us, Bobbi Brown's "Beauty Rules" can be refreshing, like having a sensible, fun, and down-to-earth gal pal ready to give you the actual scoop on how to look beautiful. Gets right to the point and lets you know what you wish to learn. When did you feel down in the dumps? Wear glasses? Too high? Too small? Brown speaks to everyone and their variations in this book. Have you got a special occasion? Check out Chapter 14, "Party Time," which includes a Prom Prep Timeline and something gal's journey to get ready for the prom. While guys may prefer to pretend they don't care how they appearance, Brown hasn't forgotten about them. Actually, Chapter 18 is focused on them with, "Let's Hear it for the Boys. Which week do your mood improve? Recommend A must for teenage girls if you are encouraging natural beauty but they want to experiment with make up. Brownish cuts to the quick by pointing out that spit is not something and licking your lips just serves to dry them out more. Guys, get a apparent unscented lip balm that's small enough to tuck in your skinny jeans pocket. So much beauty advice - so short amount of time!Makeup 101 doesn't come until Chapter 6, nonetheless it is practical when you read Brown's words through the entire early chapters. For example, guys, is your idea of moisturizing to lick your lips when they're dry? a less is even more strategy that i appreciate. Thanks to Bobbi Brown. It's excellent and features very organic looks, not caked on diva makeup.. (You will want to maintain it as a reference guideline, as well." Aimed at a teen audience, this textbook-like lead is well worth the read. Great Book for Tweens I purchased this for my 11 yr old daughter. It is a great book for Tweens/Youthful Teens it teaches age group appropriate makeup for young girls. In addition, it teaches about fitness and great eating habits in addition to some fashion tips. My child loves this book and often refers to it she has also shared it with her close friends. My only reason for a 4 vs 5 celebrity review is certainly that I desire you can still get the make-up kit that Bobbi Brown sold to compliment this book. It is the type of publication I wish I had at this age. Great I love this book. It's ideal for anyone who's into makeup and beauty but it is best for girls just starting out with make-up.) Do you want to get your skin summer-ready? She is not selling her products through this book, she truly wants to help people.. body image. useful/comprehensive Full of so many things We haven't had an opportunity to complete it yet.. Bobbi Brown talked about almost everything! Great reference/suggestions book that will interest and help most women. I love it. FYI Carries a section on general health and wellness & This book rocks! What better way to achieve that than with Bobbi Brown's assistance in her publication, "Beauty Rules. She actually is a fan of being who you are - no matter what that entails, and there is advice for everyone in this book. Perfect for Young Girls This book was a helpful tool for my tween daughter. I'm going to get a copy for my daughter too. Whatever Whatever Two Stars so

thus book thought it could have more makeup tips instead healthy living stuff! disappointed Pretty good This is an excellent book, actually some tips. There is definitely a focus on things like self-confidence, but overall well worth the money Great publication! wish i got it when i was .. Good all around book for teenagers This was a gift for my niece who's beginning to get thinking about makeup. Great beauty and makeup guide for teens With Memorial Day being the unofficial start to summer, it's time to get your skin summer ready. Dark brown knows ways to get you gorgeous, and shares her makeup how-to, design secrets, and invaluable life lessons. It teaches you all the fundamentals in beauty and learns you that beauty is definitely both inside and outside starting from healthy food to skincare, finding ur style, locks and makeup!. Party prepared? Five Stars Fantastic for young ladies.. She informs readers where to spend the amount of money and where inexpensive stuff is better great life guide, too... Great gift for a pre-teen interested in makeup Purchased for a pre-teen woman since it focuses on INSIDE beauty and skincare as much as offering makeup tips. I've been a enthusiast of Bobbi Brown's normal looks and wish this pre-teen to realize make-up isn't the only focus. Skincare, exercise, and healthy eating come first. It was something special that she examine cover-to-cover.
