This was purchased with a couple of other books on a single subject and I would recommend all of them I have absolutely no knowledge on this subject.. I checked on some of the article's validity with my lawyer and he agreed with them, that is a suggestion of its. I bought it to learn about myself as I am elderly today therefore is my partner. This is purchased with a couple of other books on the same subject and I recommend all of them. in the world of eldercare everything you will get your hands on is beneficial and I must say - thank you to Eldercare for Dumm I am simply no usually a customer of any book discussing me as a "dummy"; .. however, in the world of eldercare everything you will get your hands on is beneficial and I must say - many thanks to Eldercare for Dummies - it has provided an extremely easy to understand way to go about managing elder parents - so to those who have read most of the additional books out there and so are still a bit in the dark - I believe this was spot on... I wish I had purchased this publication years ago. Well organized, well crafted current information. great book I am still scanning this book. This book i want to know what I have to be aware of and what things to possess in place for the future. Excellent source of information 5 Star Tons of good information in a straightforward language. If you have aging parents or in-laws, that is an excellent resource to assist you protect their assets while exploring the available applications designed to provide healthcare. What I've read here was interesting and did answer some of the questions I had and i want to know there have been other questions I needed to ask. I wish I had purchased this reserve years ago. this is an excellent resource to help you protect their assets while exploring . Very Helpful We was hoping that book could be ideal for care for our mothers. It exceeded my targets. It answered all my queries and offered more information than I thought I'd need. Lots of strategies for looking after aging parents, and also, useful medical, legal and financial advice. Four Stars some good tips
