Beware of "reviews" from one-time reviewers First off, I just read the book in about 10 minutes (or less, maybe? Well worth the cost and the time to read. Interesting information, and perhaps it works, but there is absolutely NO WAY ON EARTH that the 7 previous reviewers have noticed locks re-growth when this publication JUST came out within days of All the testimonials being written. Every single reviewer (except ONE) offers ONLY reviewed That one book, and those testimonials were ALL written on a single day!
