

"Pick It, Flick It, Ewww Don't Lick It!!!" is about a third grader who is starting to notice that maybe her friends and family are not that clean when it comes to blowing their noses! Alexa decided to write a class report about boogers. It's a great book to teach kids to use a tissue and helps them realize how germs can spread...Let's hope Alexa keeps this sticky situation under control and still have friends after.

"Pick It, Flick It, Ewww Don't Lick It!!!"
