We are fascinated by the question of what sort of guy from the ghetto without startup capital and no credit -- nothing but the words out of his mouth area -- comes not merely to have a steady of sexy females who consider him "their man," but to drive a Rolls, sport diamonds, and wear custom suits and alligator sneakers from Italy. The pimp has reached nearly mythical status. The names change, however the game remains the same. His secret would be to stick to the "unwritten rules of the game" -- a set of regulations handed down orally from old, wiser macks -- which provide him superhuman powers of elegance, emotional manipulation, and persuasion. In Pimpology, star of the documentaries Pimps Up, Ho's Down and American Pimp and Annual Players Ball Mack of the Year winner Ken Ivy pulls a square's coating on the unwritten guidelines that took him from the ghetto streets to the executive suites. Ken's lessons will serve any person in virtually any interaction: Whether at work, in human relationships, or among friends, somebody's got to become on best. If you want the amount of money, power, and respect you imagine, you can't just "pimp your ride," you have to pimp your whole life. To be the one with the higher hand, you've got to have good video game, and good video game starts with knowing the rules. And unless you've seen Ray Charles leading Stevie Wonder somewhere, you will need Ken's guidelines to do it. Then you can be the boss with the hot sauce who gets it all like Monty Hall. They'll touch base and touch you prefer AT&T and bring good stuff to life like GE.

This book is amazing I swear it's life changing #theformula716 YouTube Buffalo ny everything lit ?????????????????? get your cash ho! I have always been thinking about Brent Owens document thus when I heard about this book We knew I had to read it! This book presents insight in to the mindset of pimps and why some women are drawn to them. Great book Great book in psychology and capitalism Five Stars Fast shipping and just as described! Big Pimping.! Great Read! Thanks Amazon Thank you, I am pleased with my purchase ! You shouldn't be victims of the game. Don't be victims of the overall game. Pimpin Ken provides given us his views on how game is usually to be played.! Lots of leadership lessons.! I recommend this to anyone who works with exploited women (to comprehend the mindset), in addition to those who know someone happens to be going through something like this. Thoughtfulness: The driver was very thoughtful of placing my bundle inside my door.Very educational and entertaining.! Lol Hilarious Nice ! Very educational and entertaining. This is a great read.!Great insight right into a top secret world! The chapters are short and to the point, that's what held me reading to the end of this reserve.!!You better get you some of this game! Big Pimping. This book changed my entire life and it can change yours too! One Star Trash Pimpin Ken is a road hero Thanks a lot Pimpin Ken for helping me adapt a strong pimp hand that will help keeping these trifling ho's in line and walking that track for these duckets.! Plenty of leadership lessons This is a great read. I use alot of the information in this publication before I obtain my day began to prepare me for the items I may be up against for that particular day. Chapters are brief and to the stage. As I love to say "Be short, be excellent, be gone". When you're learning the game and learning how exactly to manage your people, you should know your kryptonite, and accept no excuses from your own people. This actually captures those ideas, and provides you the tools you should be effective in the overall game, and keep pimpin even though it ain't easy. Four Stars Not totally sure however. Just first got it. What I've read appears interesting.
