You've never caught another person in a lie; Don't Ask and I Won't Have to Lie" That may explain why women over 40 years old take into account nearly half of most plastic surgery routines in the USA. This book is not for you personally if: You've never lied to your kids; You've hardly ever lied to get out of a jam; You've under no circumstances checked known as ID before answering your mobile phone;" You've under no circumstances lied to your boss or co-worker; You've hardly ever lied or experienced to stretch the reality to spare the feelings of a friend or loved one; You've lived your entire existence as a Miss Goody Two Shoes and boots. The thought of aging in a society where youth and beauty are depicted as a thing to behold can result in a lie. explores some of the subjects females lie about, why they do it, and the function aging plays along the way. Some women head to great lengths to conceal what they believe are physical flaws because, as an overzealous media often reminds us, image is everything.

I won't lie -- I loved it! Bev Mahone's reserve about lies gives an analysis of the "little" and not-so-little lies that people tell others and even ourselves. It's right down to earth and useful and it influenced me to pay more focus on the little items I do to worm out of what I don't want to do or want visitors to know. Great browse! I'm sure most of us can relate to the points she made and the tales she tells, most of them about herself and her encounters. Bev's candor and willingness to reveal the items that we all think but won't talk about makes this book someone to enjoy and wake us up at the same time. Good Brief and Engaging Read

Reading this book will keep you out of some troubling situations with your friends, family and at work. The author has written a very engaging book about topics people lie about, why we lie and the function aging plays along the way. Then when I started reading, I couldn't place it down until I finished (and that's no lie)!" A bad birthday present from a friend is appreciated for the gesture not really for its value, thus keeping the friendship solid. Don't Ask And I WILL NOT Have To Lie. The short publication keeps the reader turning pages till the finish. Many cultural lies told during a relationship keeps the marriage strong, and as the title says the best information is "Don't Ask and I won't need to lie". By Beverly Mahone This was the most interesting and well thought out book I have ever read. It offered interesting insights into a thing that we may have to do from time to time. Idea Provoking. Honest and passionate interesting. The intro alone produced me want to read "Don't Tell and I WILL NOT Have to Lie! I give this a 5 stars.. As someone who has confronted her very own truth, Beverly shares why it's sometimes essential to lie.! I totally liked this read and recommend it. OUCH! Beverly wrote as one Baby Boomer to another--honestly, to the point, and from personal experience.! She helps us realize why we perform what we achieve this we don't have to lie to ourselves.! I'm glad I have already been giving an opportunity to read this book and Review it.!!! I love the estimate "What's better a lie that draws a smile or the fact draws a tear?!" Strongly suggested. I unquestionably loved, loved, loved the book! Great read!!!! A few of my secrets had been exposed, as I'm sure numerous others had been, as she shared what just about everyone has thought, said, or have done. Interesting insights. Great Reserve! She knows all the top secret white lies women make use of. She is an extremely talented writer & PR Guru who's well known in helping clients get the term out about their services and products, who I've been friends (VIA Twitter) with for a long period and I highly recommend u have a look at this Book. A fun read We enjoyed Beverly's straightforward writing style. Must Have a look at I loved this publication by Beverly Mohone. Watch out, you may see yourself in this reserve! I read this book hoping no one would browse it over my shoulder because she nailed me therefore well that I experienced exposed. I love Beverly's matter-of-fact, funny method of making her point.
